JOSEPH C. SKINNER HOWARD WHITMORE, JR.

Whitmore Is Picked As Head of Chamber

Howard Whitmore, Jr., former Mayor of Newton and vice president of the John P. Chase Company, was elected the 1964 president of the Newton Chamber of Commerce at

the annual meeting of the directors held on Monday, February 3.

Other officers elected were Joseph C. Skinner, executive vice president of Meredith & Grew, Inc., as first vice president; Timothy X. Cronin, president of Cramer Electronics, Inc., second vice president, and Robert P. Lurvey, treasurer of the West Newton Savings Bank, as treasurer.

Mr. Whitmore became the 20th president of the Newton Chamber of Commerce as the result of the Monday election. He succeeds George L. White, recently retired president of the Newton-Waltham Bank and Trust Company, as chamber president.

President Whitmore is well known here and throughout the state as the Chief Executive of this city for three terms and as a former State Representative. He also was a formidable gubernatorial candidate in the 1960 Republican State Convention.

Parker House at 21 Parker St., Newton Centre, the city's second housing complex for elderly persons of limited income, was dedicated last Sunday in the presence of 100 persons, including city officials.

During the ceremonies, Mayor Donald L. Gibbs said that the one or two other developments were being planned to provide for 100 additional families.

Parker House has 33 one-bedroom suites and a community hall. The development to be constructed on the site

POLITICAL HIGHLIGHTS

By JAMES G. COLBERT

Draft-Lodge Workers Start Big Push in New Hampshire

Supporters of Henry Cabot Lodge believe they can push him into an all-out fight for the Republican Presidential nomination if they can produce a creditable number of write-in votes for him in next month's New Hampshire Presidential Primary.

They think they can project Lodge into the forefront of the GOP Presidential sweepstakes if they can persuade one out of every 10 Granite State Republicans who go to the polls to write Lodge's name onto their ballots.

Since a turnout of about 85,000 New Hampshire Republicans is expected, that means they are aiming for 8500 votes.

Aldermen O.K. Extent In Land-Sale Time

Mayor Gibbs' recommendation that the Newton Housing Authority be allowed six months in which to complete the land-sale transaction by which the site of the old Horace Mann School will be occupied by a new housing complex for the elderly was approved Monday night by the Board of Aldermen.

The original order approving the sale of land to the Authority had set 60 days as the sale time.

Also, during the unusually abbreviated session, the Board approved an appropriation in advance of the budget sought by City Solicitor Matt B. Jones in conjunction with the recodification of the city ordinances.

German Physicist Now U.S. Citizen

Otto R. Gericke, Newton resident and physicist at the Army Materials Research Agency, Watertown, was naturalized a citizen of the United States at a recent ceremony. He is a veteran of the German Army with service on the Russian front in World War II.

The naturalization ceremony was presided over by Justice George C. Sweeney at the U.S. District Court in Boston. Geno I. Dello Russo, deputy clerk in charge of the Naturalization Division, administered the oath of allegiance.

Lt. Colonel Joseph E. Black, commander at the Watertown Agency, congratulated the new citizen after the ceremony.

Mr. Gericke came to this country with his family in 1958. He was educated at the University of Hamburg and the University of Goettingen where he received his BSc and MSc in physics. He did post-graduate work at the Universities of Basel and Bern in Switzerland.

He was drafted into the German Army in 1941 and served as a radio operator in a combat engineer bat-

Former Waban Residents Top Award Winners

Two Newton natives have won top awards in a recent international architectural contest.

Fletcher Ashley won first prize of \$3000 and Robert G. Herman won third prize of \$1000 for their designs for the Boston Architectural Center's new building to be erected in the Back Bay at the cost of a half-million dollars.

They were winners in a field of 89 international entries competing for the design of this new cultural addition to the New Boston.

Ashley, a native of Waban, was graduated from Harvard College in 1950 and Harvard School of Design in 1953; Herman, the son of five children.

Aldermen Cling To Vacancy Vote

Members of the Newton Board of Aldermen at their meeting Monday night went on record as opposed to a bill now pending before the Legislature which would require that special elections be held when vacancies occur in the Aldermanic Board or School Committee.

But indications on Beacon Hill are that the measure filed by Representative Irving Fishman of Newton may be enacted into law over the objection of the city fathers.

The League of Woman Voters and other groups have periodically criticized the existing method of filling vacancies on the Board of Aldermen and the School Committee.

Under the procedure presently followed, the Aldermen themselves elect a new member to fill a vacancy which develops on their board while a joint convention of the Aldermanic and School Committee members is held to fill a vacancy on the School Board.

Rep. Fishman's bill would strip the Aldermanic Board and School Committee of this power and transfer it to the voters.

However, the Aldermen Monday night made it plain that they don't relish the idea of losing the right to fill vacancies in their own body.

By a vote of 17-4 the adopted a resolution sponsored by Alderman Melvin Dangel recording their opposition to Fishman's bill which is pending before the legislative committee on cities.

The four Aldermen who voted against the resolution were Paul J. Burke, William M. Glovsky, John F. Holden and Andrew J. Maginni.

Alderman Ernest Dietz who voted for the resolution Monday night apparently had some second thoughts about it Tuesday when he appeared at the office of City Clerk Monte G. Basbas and filed a motion to reconsider the action taken the previous evening.

This means the resolution cannot be sent to the legislative committee on cities until Dietz's motion has been acted upon.

By a vote of 18-3 the Aldermen went on record as opposing a bill filed by Democratic State Committeeman Robert W. Gallagher of Newton calling for par-

isan municipal elections in Newton.

Under Gallagher's bill democratic and Republican candidates would be nominated in a primary for each position to be filled in a city election.

The three recorded against the resolution which attacked Gallagher's bill were Aldermen Burke, Holden and Maginni.

Attorney Donahue will be introduced by Paul Sostek. Presiding will be Manuel Rosenthal, Temple president.

(Continued from Page 1)

An appropriation of \$3620.21 was approved to provide for the pension of Charles E. Walker, retiring from the Police Department as of Feb. 11. In reporting the Finance Committee's approval of that docket item, Chairman John P. Nixon accorded the retiring officer high praise for his years of service.

Approval was voted for the annual renewal of licenses for the following auctioneers: Louis D. Andler of 10 Westchester Rd., Newton, Eugene J. Conroy of 87 Derby St., West Newton, Maurice I. Himes of 51 Algonquin Rd., Chestnut Hill, Charles Hurwitz of 77 Cotton St., Newton, and Nathaniel Taber of 45 Everett St., Newton Centre.

Alderman Franklin N. Flaschner, reporting as a member of a committee appointed to do something about the citizen's petition for a new incinerator, said that the members had got together with the petitioners as a step toward calling the meeting.

Alderman Harry H. Ham Jr., who at the previous aldermanic session had raised a charter objection to the voters' petition for a meeting on the subject of re-

zoning Norumbega Park, said he had talked with some of the petitioners, and that they expressed preference for the second week in March as the time for the meeting. It was voted to table the two citizens' meeting petitions.

In the final action of the session, the aldermen voted approval of two communications from the State Senate, both having to do with the matter of a replacement for the late Sen. Michael J. Galvin.

One of the communications revoked the order calling for a primary election on Mar. 24, and ordered a new date, Tuesday, Mar. 24.

The other revoked the order for a special election on Mar. 24, and set Tuesday, Apr. 14, as its date.

One Way To Break Habit

Committees in Newton are taking a long and careful look at the cigarette smoking habit, especially for its impact on young indulgers.

In the meantime, the nicotine weed, whether king-size or normal, filter or plain, and regardless of the "flavor," is coming under the cold scrutiny of another agency—this time safety.

It's a fact that highway safety experts are beginning to evaluate the possible connections between cigarette smoking and some automobile accidents.

A survey recently conducted by the safety department of the Automobile Legal Association shows that while smoking a cigarette a driver takes his eyes off the road for an average of 30 seconds. During this time, the survey shows, a car going 60 miles an hour travels 2,640 feet without any visual guidance.

Lighting the cigarette while driving, momentary blindness from the match flame, possibility of sparks and ashes blowing into the eyes, dropping a cigarette on the floor and searching for it, are all added hazards, according to the ALA report.

Looking for the car lighter, lighting the cigarette, finding the ash tray, putting ashes into it and later extinguishing the cigarette have been found to take enough visual time away from the road and traffic to pile up the accident potential.

It also was found that most drivers operate the speeding car with one hand on the wheel during the complete smoking process.

High speed highways and increasing traffic may yet cause smoking to be banned while driving in the future just like drinking is banned today, said an ALA spokesman.

Surveys taken around this area found that many men and women are making an effort to cut out the nicotine habit since the recent adverse health report issued concerning the ciggies.

Others, expressing their rightful free will and complete mastery of their fate, keep right on puffing, inhaling and blowing smoke through their noses.

Those of us, who at one time were slaves to the habit, and came apart at the seams when deprived of the delights of the weed, but who ultimately overcame it, can look back to the day of liberation with much satisfaction.

It was a drag, to be sure, those first weeks and months, but once over the hump and the habit behind you, life can be enjoyed to a greater and more appreciated degree.

The one time "coffin nails" now raised to the eminence of spring-like flavor, taste refreshers and other nice things, will continue to be sources of contention. They will be attacked and defended, enjoyed and discarded, bought and borrowed.

But, keep the new warning in mind when driving. The ladies, especially, should give a thought to the gymnastics of smoking a cigarette while driving the family car. Getting blotted out in an automobile crash is breaking the cigarette habit the hard way.

Church Women Of Highlands

Meet Feb. 12

The Woman's Association of the Newton Highlands Congregational Church will be held on Ash Wednesday, Feb. 12, in the church parlor.

This film will present a complicated and extensive survey of the modern church and its problems and mission today, and the philosophies it must adopt to meet its future needs. The film is on the Changing City and is on the mission study theme for 1963-64.

A luncheon will be served at noon in the dining room by a committee headed by Mrs. Charles Lytle.

Conservation Commission Is Urged For City

It was the opinion of all present last week at the annual meeting of Newton Conservators that the city must proceed with preparation of an overall land use plan that recognizes the conservation concept, and that the executive department of the Board of Aldermen should recognize the value of a Conservation Commission for the city.

Those at the meeting included Aldermen William Carmen, Ernest F. Dietz, Harry H. Ham, Jr., Jack M. Roberts, William L. Bruce, Warren Sutherland and David W. Jackson. Also present were Rep. Irving Fishman and Joseph C. Skinner of Meredith & Grew, Inc., the firm responsible for the optimum land use section of Newton's Community Renewal Program.

The Conservators re-elected Benjamin F. Shattuck as president, Allard M. Valentine as treasurer and Rep. Lorenz F. Muther, Jr., as clerk. Mrs. Melvin I. Darack of Newtonville was elected to fill a vacancy until 1967. Other directors are Mrs. Arno H. A. Heyn, Mrs. Frank A. Howard, James H. Lewis, Mrs. William P. Ripley, Alderman Roberts, Rabby Murray I. Rothman, Dr. Augustus Thorndike and Irving Uen.

Political Highlights

(Continued from Page 1)

They predict that Lodge will come home from Vietnam in April and campaign actively for the right to run as the GOP nominee for President—if they achieve their objective in New Hampshire.

So far Lodge has neither done nor said anything which would give credence to such a forecast or to indicate that he has any intention of making a fight for the Presidential nomination under any circumstances.

The Lodge boosters are taking a calculated risk in making their campaign for write-in votes.

A great many people are reluctant to cast a vote for an unwilling or unannounced candidate. They feel they're wasting their votes.

It's difficult to obtain write-in votes for non-candidates when the names of avowed candidates are listed on the ballot.

A relatively poor showing for Lodge in New Hampshire would be very likely to slow down the draft movement by his admirers.

To some degree that same thing applies to Richard M. Nixon who insists that he's not a candidate but for whom write-in votes are being sought in New Hampshire by ex-Governor Wesley Powell.

If Powell fails to produce close to 10,000 write-in votes for Nixon, it will be construed as reflecting a lack of public sentiment for the former Vice President.

If he reaches the 10,000-mark or approaches it, the Nixon bandwagon probably will start rolling.

It is looking more and more as if Governor Nelson Rockefeller's Presidential hopes will suffer a setback in New Hampshire's snow-covered reaches.

Whatever write-in votes Lodge receives will come almost entirely from Rockefeller.

Nixon's write-in votes will be siphoned mostly from Rockefellers.

Harold E. Stassen is strictly a nuisance candidate who probably will not poll much more than 2500 votes, but they also will come out of Rockefellers's total.

Senator Margaret Chase Smith, on the other hand, may help Rockefeller to some extent by sopping up some feminine votes he couldn't get because of his divorce and remarriage.

About the only thing Mrs. Smith is likely to prove in New Hampshire is that the women will not vote for another woman for President. However, on-the-scene observers anticipate that she will pick up about 5000 votes of the 35,000 cast.

It's possible, incidentally, that all the politicians will be on the stage instead of in the hall as in the past, should provide more and better seating for the audience.

Tickets will be on sale at Weeks during the before-school hour on the morning of Feb. 6, 11, 12, 14 and 17, and will also be available at the door on the evening of the performance.

Headlights and Highlights From Newton South High

The CBS television network recently recorded a program on smoking which was planned and presented by the Wheeler House Council. Speaking at the program was Dr. Eva Salber, a senior research assistant in the Department of Epidemiology at the Harvard School of Public Health. Dr. Salber has published a detailed survey on the smoking habits of high school students, and used Newton as her field of study.

Also included in the program was a panel discussion on teenage smoking habits. The students who participated on the panel were Charles Cohen, Linda Dannenberg, Barbara Hurwitz, Peter Lewenberg, Barbara Wallace, and Mark Young.

Sixteen seniors have recently been accepted to college. Bill Bridge has been accepted to Dartmouth; Helen Berman to Marietta College; Jeff Polins to the University of Massachusetts; Phyllis Rudy to Harcum Junior College; Joan Abramson and Irna Levinson to Boston University; Peter Fleming to Boston College; Judy Melvin to the University of Massachusetts; Jessica Green to Endicott Junior College; Larry Abramson and David Yamins to Harvard; Bruce Karlin to Harvard and Yale; and Biff Levy, Mark Wolf and Mark Young to Yale.

The cast for the Newton South musical, "H.M.S. Pinafore," has been finalized. The performers are: Gary Chafetz, Captain Corcoran; Gilbert Cohen, Tom Tucker; Mark Edinburg, Bill Bobstay; Elliot Marks, Dick Deadeye; Peter Muller, Bob Becket; John Shapiro, Sir Joseph Porter; Geoffrey Steinberg, Ralph Rackstraw; Deborah Glaser, Josephine; Malvina Spitz, Helen and Susan Waldman as Buttercup, (Mrs. Cripps).

The sailors are played by Theodore Arsenault, Jeffery Dexter, Bruce Fader, Robert Gass, Alan Kaplan, Fred Katz, Russell Lightman, Jim Rimolover, Robert Schneider, David Thompson, and Richard Walbarsht. Sir Joseph's cousins and aunts are played by Laurie Asherman, Leslie Berk, Nancy Baer, Marilyn Borowsky, Robin Brenner, Roberta Clarke, Andrea Dank, Paula Drucker, Deborah Epstein, Beth Farber, and Nancy Goldberg.

Also, Carol Gordon, Jane Green, Mary Huard, Christine Lambert, Susan Mordecai, Rebecca Portnoy, Edith Segal.

him for the Vice Presidency and he has been the overwhelming choice of Democratic voters for second place on the Democratic national ticket wherever surveys have been made to ascertain public sentiment.

That the Boston area, with its great educational institutions such as Harvard and M.I.T., deserved NASA's nod for merit, can hardly be challenged.

But it's doubtful that the Boston area would have been chosen on merit alone if it hadn't been for the work of McCormack, Kennedy and their colleagues on Capitol Hill.

It is interesting, incidentally, that all the politicians will leave New Hampshire with empty pockets after the Presidential Primary returns are counted on the night of March 10.

Ex-Governor Robert O. Blood is spearheading a fight to send an uncommitted Granite State delegation to the Republican national convention. He has substantial backing and seems to be making some headway.

Governor Candidates Face Tax Relief Issue

As the contests for the Democratic and Republican nominations for Governor develop, candidates on both sides of the political fence probably will be called upon to state whether they intend to provide tax relief for the cities and towns and, if so, exactly how they plan to do it.

Our Lady's Five Drops A Pair

In two basketball games, Our Lady's ran afoul of a slack period during the course of play, with the result that the school is mourning two consecutive losses.

Last Friday, the boys fell behind by 10 points in the opening period, and were unable to recover. The game ended with Newman High the winner by a score of 79 to 67.

Then, on Sunday afternoon, Our Lady's did a bad fade in the second half, so North Cambridge Catholic High ended the upper side of an 81-80 score.

MEDICAL PROGRESS IN Massachusetts with the MARCH OF DIMES

ARTHRITIS

BIRTH DEFECTS

POLIO

In MASSACHUSETTS your contributions to the 1964 MARCH OF DIMES will fight crippling diseases on three major fronts:

ARTHRITIS

The MARCH OF DIMES Special Treatment Center for Juvenile Rheumatoid Arthritis at the ROBERT BRECK BRIGHAM HOSPITAL in Boston is supported by all Massachusetts Chapters.

The grant from The National Foundation-March of Dimes makes possible the out-patient treatment of arthritis patients by providing part-time support for the clinic staff in addition to the necessary x-rays and laboratory work.

Referral to the March of Dimes Arthritis and Birth Defects Centers may be accomplished through the family doctor. Further information may be obtained at your local chapter of The National Foundation—March of Dimes.

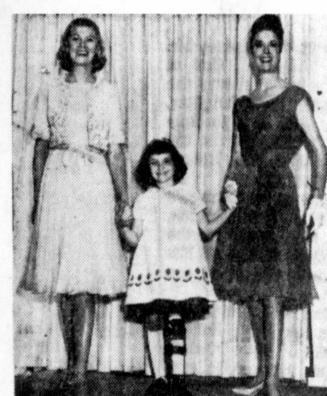

BIRTH DEFECTS

The MARCH OF DIMES Birth Defects Center at the BOSTON CITY HOSPITAL emphasizes the total care of the infant with the defect and the impact on the child and its family.

Doctors, medical students and nurses are being trained in the early detection of birth defects. This information is also being communicated to local physicians.

POLIO

Hundreds of polio patients still need aid. They were stricken before the SALK and SABIN vaccines were developed with MARCH OF DIMES contributions.

These patients annually require corrective surgery, physical therapy, special shoes, braces or clinical treatment.

Research by the same health agency that was responsible for a reduction of 98% in the incidence of POLIO can, with your help, make breakthroughs in other crippling diseases.

Seventh Win Scored By Local Pucksters

By PETER RYAN

Newton High's hockey team won its seventh game of the season Saturday by downing Rindge Tech 5-3 at the Arena. The Tigers played a sloppy game in contrast to their sharp skating of the past two weeks.

Now boasting a 7-1 slate with five games to go, Newton is still tied with undefeated (6-0-3) Brookline for second place. Arlington continues to lead the two runners-up in the GBI League by two points. Newton faces last-place Somerville on Saturday.

Rindge jumped out to a quick 2-0 lead in the first six minutes of last Saturday's game before the Orange and Black started to move. The Technicians' Ed Wright scored a power play goal in the first minute, and Mike Sico tallied for Rindge midway through the opening period.

The Tigers closed the gap to 2-1 with three minutes left in the first period when George Mechem took a Jeff MacLaughlin pass and drove home a 10-footer. MacLaughlin scored one second before the buzzer to tie the game at 2-2.

Newton moved into the lead 30 seconds after the second stanza began. MacLaughlin, Newton's most consistent skater lately, slammed a

McLeod Again Made Head Of Community Unit

Sacred Heart In Tough Losses

It was almost but not quite for Sacred Heart's basketball warriors over the last weekend. They put on a good effort, but one that wasn't quite good enough for two wins, and what they ended with was a pair of losers.

They were victimized first by North Cambridge Catholic, who had drive enough to come out with a 54-52 victory. That was on Friday night.

On Sunday night, against St. Mary's High of Brookline, things looked pretty good right up to the last few seconds of play. But then, a jump shot by an enemy shooter gave St. Mary's the game by a single point. The final score: St. Mary's 51, Our Lady's 50.

History Month DAR Observance

Lydia Partridge Whiting Chapter, Daughters of the American Revolution, in observance of February as National American History Month, will have an illustrated lecture, "Plymouth and the Freedom Trail," at the regular meeting, Monday, Feb. 10, in the Newton Highlands Workshop, 72 Columbus St.

A coffee hour will be held at 1 p.m., with Mrs. Vincent Hammersten as chairman, assisted by Mrs. Loren Fletcher, Mrs. William Hurley, Mrs. Ross Langill and Mrs. Harrison Meserve. The business meeting and program will follow. The chapter historian, Mrs. Thomas Desmond, will have on display scrapbooks, yearbooks and other mementos of early chapter days and will also greet members and guests at the door.

Style Corner

They say confession is good for the soul. Then Stan Marquand, kindly prefect at Jacques' men's wear coliseum, must be storing up an almighty amount of good this week.

He's admitting to earlier mistakes, buying blunders he made in terms of selections and quantities. And, in a veritable frenzy of atonement, he's cutting back prices on a wide number of clothing, sportswear and furnishings items. You'd think he knew something we don't know, like there was no tomorrow, the way he whittled down those prices!

Take for example: a selected group of white, blue or striped shirts in button-down or snap-tap collar styles. Originally \$5 each, these beauties are now three for \$10. That's a savings of a "finif" for every three shirts purchased.

Or, how about these furnishings items? All are whacked down 40 percent from regular, honest-inuin prices at Jacques . . . ROBES and PAJAMAS; LINED and KNIT GLOVES; ALL SWEATERS; ALL LODEN COATS, and SELECTED GROUP OF OUTERCOATS. That's right, 40% off.

CASHMERE CORNER . . . Cashmere sport coats, originally \$65, now \$39.50. Cashmere outercoats, originally \$110, now reduced to \$89.50.

SPORT COATS — Selected Harris Tweed and other fine fabrics, originally \$45 and \$49.50, now reduced to \$29.50.

RAINCOATS — famous-brand, lined or unlined, 40% off. SLACKS — selected group of domestic and imported slacks reduced 20%.

FAMOUS-NAME SUITS that were \$59.95 and \$69.95, now reduced to \$42.50. (Slight charges for alterations on this group only.)

Open Thursday and Friday evenings til 9. Free Parking, and I hope our hearts will stand up under all this largesse from Stan the Man.

Charles River Medical Society In Winter Meet

Special guests at the winter meeting of the Charles River District Medical Society were fourth-year medical students who hold the \$250 scholarships the Society gives each year.

One of them, Philip Bolton, son of Mr. and Mrs. Elmer G. Bolton, 103 Hunnewell Avenue, Newton, a senior at Tufts Medical School, plans to become a surgeon.

Speaking at the scientific session in Newton-Wellesley Hospital last night (Wednesday), Dr. Martin B. Levine, director of radiotherapy at Lemuel Shattuck Hospital, reported good results in treating cancerous lesions with radiation, particularly around the head and neck.

Plans to investigate the status of the chaplaincy program in hospitals of the district were announced by Dr. Donald Bowen. Ways to develop a closer relationship between physicians and the

Prayer

(Continued from Page 1)

Newton residents who cannot attend the church services are asked to pause for a minute of silent prayer at noon.

Mayor Gibbs has urged every church having bells or chimes to sound them at 12 o'clock noon for the observance of the call to prayer.

The event on the 14th will mark the 78th annual observance of the international World Day of Prayer by thousands of churchwomen across the Commonwealth.

Mrs. Holmes, president of the United Church Women in Newton, pointed to the observance date of February 14th as being of particular significance.

The Newton president stated that in Newton "all will pray for special needs around the world, together with thousands of other prayer fellowship groups at home and abroad."

Chamber

Seven new directors were also elected at the annual meeting of the members which preceded the board of directors' meeting.

Kenneth W. Rogers, president of the West Newton Savings Bank and chairman of the chamber's 1964 nominating committee cast 178 proxy ballots which caused the election of the following community business leaders to the board of directors:

Donald E. Dionne, industrial relations manager of the Industrial Components Division of the Raytheon Company; Charles E. Dockser, president

of the Garden City Trust Company; William P. McNamara, manager of William Filene's Company; Giles E. Mosher, Jr., assistant vice president of the Newton-Waltham Bank and Trust Company; John P. Nixon, president of the Alfred Chamber president.

Do you know
the 3 most common reasons
why people borrow money
from our bank?

1. To consolidate bills.

It's much easier to pay only one bill each month instead of several. You'll enjoy all the advantages of low-cost borrowing while you build your credit rating in the community.

2. To buy appliances.

Whether a new washing machine, refrigerator, stove . . . whatever appliance suits your fancy . . . the place to borrow the money for it is at any one of the nearby Newton-Waltham Bank and Trust Company offices.

3. For home improvements.

When you improve your home, you add new convenience, bring new beauty to it. More importantly, you help increase its resale value. How about getting those home improvements underway . . . now?

Almost everyone has to borrow money at one time or another. If it's your turn to seek extra cash, you've only to stop in and discuss your Personal Loan needs with the specialists at any one of our neighborhood offices.

Remember, you and your banking needs are the reason for our being in business.

Talent Hunt For Better Cagers Gets Underway

Getting underway is a talent hunt aimed at better basketball in the Newton school system.

Coach Al Fortune of Newton High and Coach Warren Bechtold of Newton South are making a strong effort to improve the playing of the various junior high school teams.

Fortune takes his Newton High hoopsters to Warren, Bigelow, and Day Junior Highs. Bechtold has built a junior high program for Meadowbrook and Weeks. Both have the same idea — to stress the game's fine points with basketball prestige returning to the city.

Fortune's program has a basis in two-and-a-half-hour demonstrations. His assistant, Norm Walker helps him.

Bechtold is forming a six-team junior high league, and already has 42 boys from two schools taking part.

Both programs are under the direction of the school system.

Couple To Tell Of Peace Walk

Staff workers Elaine and Eric Weinberger of the Committee for Non-Violent Action, will give a first-hand report of their experiences in the Peace Walk in the South at a joint meeting of the Voice of Women (Newton-Brockline), and the Women's International League for Peace.

The Weinbergers were jailed for taking part in the walk, ostensibly because it was integrated. They are in charge of the Tote Bag Industry to help jobless sharecroppers.

The meeting is scheduled for tonight (Thursday) at 8 o'clock in the home of Mrs. Norman Asher, 54 Windermer Rd., Auburndale.

Anyone needing transportation is urged to call Mrs. Edmund Berkely, chairman of the Voice of Women, at DE 2-3928.

Great Decision Parleys Set To Open '64 Season

Mrs. Stanley T. Johnson, 1964 chairman for Great Decisions, announces the beginning this week of an eight-week series of foreign policy discussions in Newton.

An open group to welcome all interested persons has been set up in the downstairs meeting room of the Newtonville Library for each Thursday evening, beginning tonight (Feb. 6). The meetings will extend through Mar. 26.

Leaders of this group will be Spencer Deming, Irving Fishman and William Carmen.

Study materials are on sale now at nominal cost in the Star Market at Newtonville or the Langley Book Store in Newton Centre. The first week's topic for discussion will be "World Communism Today—How Great the Danger?" Television and radio programs have been prepared in coordination with the service.

Other discussion groups are being formed in private homes and in various clubs and church and temple groups. Any person or organization young or old, may form a group of friends, neighbors or members by simply obtaining the study kits and planning a convenient time and place to meet each week.

The materials are prepared by the Foreign Policy Association of New York and distributed through the World Affairs Council of Boston. The purpose is to assist responsible citizens to become aware of the problems and the facts involved in the conduct of United States foreign policy throughout the world. Citizen opinion is invited through opinion ballots contained in each kit which will be forwarded to State Department officials for their guidance as to the views of the public. Your agreement or disagreement with present policies will be noted, although the ballots are anonymous.

Mrs. Anton Fried, president of the World Affairs Council of Newton, urges all interested persons to call Mrs. Stanley T. Johnson, or Mrs. John W. Locke, or Mrs. Fried for further information or assistance. A foreign student may be secured to meet with your group, if desired. The Council would like to know of groups which are being established for record-keeping.

Democrats Of Ward 2 Hold Busy Meeting

Problems of voter registration were discussed at the meeting of the Ward 2 Democratic Committee held recently at the home of the chairman, Dan Rothenberg, Otis street, Newtonville.

It was pointed out that many potential voters in Newton get home from work too late to take advantage of the 5 p.m. closing registration hour at City Hall. It is expected that a recommendation to remedy this will be submitted to the Democratic City Committee. The Ward 2 Voter Registration Committee comprises Jerry Alrich, chairman, and John Donovan and Al Hockenberg.

The recent death of 84-year-old Charles W. Paige, 162 Lowell Avenue, Newtonville, was noted with regret. He was the oldest active Democratic worker in this city.

It was announced that a spring square dance is being planned with Peg Hannigan as chairman. Date and details will be announced later.

Mayor Not To Be Committed GOP Delegate

Mayor Donald L. Gibbs who is a candidate for election as a delegate to the Republican national convention from the 10th congressional district, declared last night that he is not committed to any of the Presidential contenders.

Gibbs said that if he is elected a delegate he will make his choice between the Presidential aspirants on the basis of the circumstances which exist when the GOP national conclave is held at San Francisco in July.

He expressed the opinion that it would be unwise for a delegate to commit himself at this time when he cannot foresee what will happen in the next five months.

Mayor Gibbs is a member of a slate announced by Republican National Committee-man Richard F. Treadway.

POLITICAL HIGHLIGHTS

By JAMES G. COLBERT

Crime Commission Stalking

Prominent Public Figures

The indictment of Deputy State Bank Commissioners Martin J. Hanley may prove only the prelude to more explosive developments later this month when the special Suffolk County Grand Jury reconvenes.

It is pretty generally understood that the State Crime Commission has been stalking bigger political game than Hanley.

Exactly what indictments will be sought or what evidence has been or will be developed in the privacy of the Grand Jury room are, of course, carefully guarded secrets.

But if some of the persons, whose names are being mentioned in the rumors flooding through the State House and the Courthouse are involved, the Grand Jury actions could stun the Commonwealth.

Upper Falls Has Highest Tower in East

Newton Upper Falls can lay claim to the tallest self-supporting tower in the East and one of the highest man-made structures in these parts.

It is the new tower and transmitter for WNAC-TV which shoots 1062 feet into the heaven's own blue over Newton. It is 319 feet higher than the Prudential Building.

Local pride can point to the fact that the graceful structure is even higher than the Eiffel Tower in Paris. It stands 1181 feet above sea level. The elevator in the center of the tower rises to an 870 foot level, or 120 feet higher than the Prudential structure.

The cloud-busting transmitter tower goes into operation on Sunday, February 23 at 12 noon.

It is made of rugged T-1 steel and can be seen for many miles in all directions. It is a source of much attention from motorists north and south along Route 128 in the Newton-Needham area.

It replaces the old tower in Medford, a pygmy which rose only 425 feet above the ground.

WNAC-TV officials stated that the new tower and transmitter will bring a brighter, clearer picture to more homes in a wider radius of approximately 82 miles. It is located at 45 Tower road, Newton Upper Falls.

Many Local Residents Back Boston Boycott

A large number of Newton residents went on record this week as endorsing the "Stay Out for Freedom" movement which is seeking to have children remain away from classes in Boston public schools Feb. 26 as a protest against alleged de facto segregation and the Boston School Committee's refusal to discuss it.

The names of many persons prominent in various walks of the city's life, including public officials, teachers, doctors, lawyers, businessmen, social workers and religious leaders appear in an advertisement in this edition of The Graphic endorsing the "Stay Out for Freedom."

Sponsors of the advertisement explained as a matter of fairness that some of the people who authorized the use of their names in the advertisement did so before Attorney General Edward W. Brooke ruled that the Feb. 26 school boycott is illegal and that children who remain out of classes can be picked up by truant officers.

However, that has not changed the attitude of many Newtonites who are backing the boycott.

Buses will leave from Newton on Feb. 26 to take junior high and high school students to Boston to attend Freedom Schools.

Vacationing teachers from Saturday of this week so that class assignments can be made.

Mrs. Roy Lapidus, who is in charge of the Elementary Freedom Schools which will be held here in Newton, reports that three Newton churches have made their facilities available for children in Grades 4 to 6.

The Rev. Charles Harper, Newton coordinator, may be contacted at the Eliot Church for more information.

An information station will be located at the corner of Centre and Beacon streets in Newton Centre on Feb. 21 from 9 a.m. to 6 p.m. to distribute literature on the reasons for the Stay Out.

Leaders In Bonspiel

Mrs. Charles Beatty, left, Brae Burn, vice chairman, and Mrs. Marc C. Walker, Waban, chairman, of U.S. Women's Curling Association meeting and Bonspiel, now in session here.

Bonspiel

(Continued from Page 1)
After the curling competition today, there will be a cocktail hour, banquet and annual meeting tonight at the country club.

Following competition tomorrow, Friday, Brae Burn couples will entertain the curlers in their homes at buffet supper parties.

Among those entertaining will be Dr. and Mrs. Francis R. Kenney and Dr. and Mrs. E. P. Finnerty of Waban, and Mr. and Mrs. Wheaton Kittredge of Chestnut Hill.

Curling competition on Saturday will be held from 8 a.m. to 10 p.m., with the finals being held at 2 o'clock on Sunday afternoon.

Mrs. William King, of Newton, will be on the competing rink from the country club and Mrs. Richard Schofield, also of Newton, will be on the rink from the Weston Curling Club.

Teaching

(Continued from Page 1)

Courses opened at St. Bernard's High School, Newton, on Monday, February 10 at 8:15 p.m., and at Regis College, Weston, on the same date but starting at 7:30 p.m. Classes will open today, Thursday, February 13th at the Country Day School of the Sacred Heart, Centre St., starting at 7:30 o'clock.

The indoctrination courses will be given at these locations for 12 weeks with each session to last an hour and a half.

Inaugurated by Richard Cardinal Cushing, the program, under the direction of the Confraternity of Christian Doctrine, is aimed at preparing laymen to use the latest teaching methods in the instruction of Catholic students who are attending public schools.

It is Cardinal Cushing's objective to enlist enough lay people, both men and women, to permit smaller classes during religious instruction, and to relieve the heavy burdens of the Sisters who in addition to teaching full time in the parochial schools are also frequently engaged in teaching religion to public school pupils.

According to Rev. Russell Novello the courses include psychological study, lesson planning and presentation, and demonstration or practice sessions.

Budget

(Continued from Page 1)
for replacing some of the city's old and outmoded snow-fighting equipment and for the purchase of new public works equipment.

The Aldermanic Finance Committee will devote several weeks of study to the 1964 budget and reductions undoubtedly will be made in it before it is acted upon by the Full Board late next month.

Dancing Ends At Norumbega

The old popular song "I'm Dancing With Tears In My Eyes" had a special meaning for some 600 couples on the floor of Totem Pole Ballroom, Norumbega Park, last Saturday night, when terpsichore ended for all time in what for nearly 40 years has been called "New England's Most Beautiful Ballroom."

Ordinarily the Saturday night dances there draw from 300 to 400 couples, but this one marked the end of an era.

Last November, Marriott Motor Hotels of Newton Inc., was granted permission by Newton's Board of Aldermen to put up a \$400,000 motel complex on a tract that covers approximately a third of the 27-acre tract on which Norumbega Park has been operated as a private recreational enterprise since 1897.

That meant, of course, that the good old Totem Pole had to go.

Second Lenten Service To Be Held Feb. 19th

The second in the Lenten series entitled "Resources for Living" will be held on Wednesday evening, February 19th at the Eliot Congregational Church in Newton.

The leader will be Dr. Paul Deats, Jr., professor of Social Ethics and of Religion in Higher Education, Boston University School of Theology. Dr. Deats is the author of "Social Change and Moral Values" published in 1963 and co-author of two other books, "Methodism and Society: Guidelines For Strategy" (1962) and "The Responsible Student" (1957).

At this meeting of the series, Dr. Deats will speak on "What Do You Need Most?" The participants in the panel discussion which will follow, will be Mrs. Richard Lovell and Kenneth Gleason. On February 26th, also at the Eliot Church, Mrs. Robert Hunter and Mr. William Clark will make up the panel following Dr. Deats' talk on "Lightening the Load."

Rev. Harold R. Fray, pastor of the Eliot Church and Rev. F. Norman Totten, pastor of the Newton Methodist Church, are heading the series which will continue for the first three Wednesday evenings in March at the Newton Methodist Church. A coffee hour at 7:15 will precede the service at 7:45 each evening.

Give To The Heart Fund

The annual Heart Fund campaign, one of many many charitable causes encouraged in Newton, is moving along in this month designated to it.

The energetic local committee members have been actively engaged throughout the city in the many aspects of the drive which will be culminated in the door-to-door solicitations to be made on Heart Sunday, February 23rd.

The generosity of local residents is amply tested to throughout the year as prompt responses are given to the many demands made upon them.

There is no denying the need for these campaigns. Money raised has contributed vitally to research programs. These programs have been instrumental in bringing increased hope to those afflicted with many maladies once considered as hopeless. Countless lives have been lengthened and saved by money contributed to these campaigns by our citizens.

This time it's the Heart Fund, which helps finance the fight against the nation's No. 1 killer, heart disease. Newton once again will meet the challenge and contribute to this most worthy of causes.

And it will salute the dedicated men and women who annually pitch in with long hours and considerable physical and mental effort to help crown these civic operations with success.

Not In Prime Time, Please

Tomorrow is Valentine's Day but the nation's young fry, including countless frenzied youngsters in Newton, got theirs early. They received their valentines, albeit comic, on Sunday, airborne from Britain.

England's answer to Yul Brynner, the Beatles, were thrust upon the nation through the courtesy of big-time television. Adults had to take the greasy kid stuff or switch channels which many, no doubt, did.

The Beatles flaunted a quartet of mops like mother used to switch and dropped television down a couple of pegs while skyrocketing their adolescent admirers right out of their seats.

Actually, the act did tickle the funnybones of some adults although the tight-suited, thatch-headed jigglers are not billed as a comedy routine.

The nation's sub-teens frayed their tonsils in shrilling a welcome to the overseas visitors whose itinerary through our generous land will be green-paved with the always acceptable Yankee dollars.

They will establish a tradition of shaggy-dog haircuts, painted on clothing, low grade music in high pitched tempo and will wave a good-bye, blow us a kiss and be off with their lot.

Once upon a time, if one lit up the face of a child, eased a juvenile pain and warmed an adolescent heart you could put it all together and spell MOTHER. Last Sunday it was BEATLES.

There isn't much that the sensible among us can do at this time but sit tight.

We will trim the sail, batten down the hatches and ride out the latest silly storm. After all, we have survived the Sinatra frenzy, the Davy Crockett hat and the Presley palpitation.

Those who stoutly defend the Beatle invasion point to the fact that they are clean — so are ants, but we can't tolerate them in certain places.

However, if the kids love 'em, let the kids have 'em, on matinee TV to their little squealing hearts' delight. But spare us in the prime time hours.

Peabody Backers Hopeful

3-Way Fight Will Hurt GOP

Some sound political analysts believe that Governor Peabody's chances of achieving reelection to a second term next November have been improved by the rugged three-way battle now being waged for the Republican nomination for the Governorship.

They think that ex-Governor John A. Volpe, ex-Representative Francis W. Perry and Senator Philip A. Graham will cut each other up to such an extent that the one who emerges the winner from their three-cornered contest will be softened up for the election fight next autumn.

That could prove to be an accurate appraisal. The Republicans don't forget their family fights as quickly as do the Democrats. Some of the things said in political anger during the struggle for the right to run as the GOP nominee for Governor also make an impact upon the voters.

However, there may be factors which will offset any detrimental effect of the clash between Volpe, Perry and Graham.

In the first place, Governor Peabody has a stiff fight of his own, especially in the Democratic primary next September, and there is no certainty that Peabody will be renominated for a second term.

Peabody is favored to defeat Middlesex County District Attorney John J. Droney. But he isn't as strongly favored over Droney as ex-Governor Foster Furcolo was over Springfield Mayor Thomas J. O'Connor in the 1960 primary when O'Connor scored a spectacular upset victory.

Even if Peabody does best Droney at both the Democratic State Convention in June and in the September primary, Droney is likely to leave just as many scars upon Peabody as the Republican gubernatorial contenders leave upon each other.

Droney is a resourceful campaigner and a hard fighter who will pull no punches. He will be no pushover for Peabody.

On the capital punishment issue alone Droney is virtually sure to hurt Peabody with thousands of police officers across the Commonwealth who feel deeply that the electric chair should not be junked.

But primary contests have their assets as well as their liabilities. The momentum gained by winning contenders in past primary fights has carried them on to victory in the final election.

That is more often true of candidates who are out of office than of those who are standing for reelection, and it applies more to Democrats than to Republicans who haven't had many state-wide primary battles since the convention system was revived.

Peabody himself probably would not have defeated ex-Governor Volpe in 1962 except for the publicity he received, the prestige he attained and the impetus he gained when he defeated former Registrar of Motor Vehicles Clement A. Riley in the Democratic primary.

Edward W. Brooke had a hard primary fight in 1962, but it didn't hurt him. After toppling Elliot Richardson in the primary, he went on to win an overwhelming victory in the election.

A glittering example of how a primary contest can help a candidate was provided in 1956 when Foster Furcolo defeated Sumner Whittier.

The polls showed Whittier leading Furcolo in the late summer that year. Furcolo had a primary contest and Whittier didn't. Furcolo's primary triumph catapulted him ahead of Whittier, and he went on to election by a decisive margin.

There is no evidence that a knock-down fight for a convention endorsement ever hurt either a Republican or Democratic candidate.

In all likelihood the two losers in the Volpe-Perry-Graham struggle will abide by the decisions of the GOP State Convention in June and will not

so closely concern the interests of the Board of Aldermen, one wonders if it is appropriate for them to take an official position in the matter.

Law Of Succession

Editor of the Graphic.

During the past few years, there has been an increasing demand from believers in the democratic approach to local government that some changes be made in the laws pertaining to the replacement of elected officials who have left public office in midterm periods in Newton.

The League of Women Voters and many other public spirited citizen groups have long felt that the current method of replacing an elected official by a mere vote or nod from the incumbent Board of Aldermen leaves much to be desired. Aside from the possible implications of cronyism and self-perpetuation, there definitely is something archaic here, in these days of voter enlightenment and further extension of the franchise.

In the past few years, there have been occasions when elected members of the city government have left early in their two year term and were replaced by the incumbent group without any regard for the desires or wishes of the voters they were to represent. In addition, in a city such as Newton, where incumbents usually have the inside track in future elections, the newly appointed official invariably runs for reelection and is recognized on the ballot as one of the group who was previously elected by a popular vote.

Surely a remedy for this anachronism in progressive city government is long overdue. Any cry of added expense or voter apathy at special elections should be dismissed at once, for if the cost of elections is to be the prime issue, we could do without any elections whatsoever, and save a considerable amount of money over the years. If the costs of voter satisfaction are ever to become an issue in a democratic society, we can certainly point to the alternatives available to us in the various forms of totalitarian governments existent in the world today.

A bill has been filed in the Legislature to provide the type of relief we have so long needed. To disenfranchise any voter or to deprive any constituency the representation that is due it, is unthinkable, here in Newton.

It is the duty of those who would represent us in the truly democratic way to support this measure and to see it through to its ultimate enactment.

Very truly yours,
Harold M. Band,

On School Boycott

Editor of The Graphic:

I am surprised and shocked to read in your paper that the Newton pupils are planning to support the school boycott planned for the Boston Public Schools. My only thought is that they and their parents have misinformed.

I am a Newton resident and a Boston public school teacher. As is the case in Newton, pupils attend the schools nearest to their homes. However, the Boston pupils have been given the privilege of attending any school which may have classrooms with vacant seats.

The school district in which I teach has 31 teachers. Three of these are Negroes.

I could cite many advantages given to Negro children. Not having the statistics before me, I hesitate to do so, but I hope the parents of these Newton children will carefully look into and study all the facts before they permit their sons and daughters to support an unwanted and unfair strike.

Very truly yours,
Margaret M. Spitalt

Vacancy Vote Issue

Editor of The Graphic:

The Board of Aldermen will shortly reconsider a resolution they passed to oppose legislation that would change the method of filling vacancies on the Board and on the School Committee.

The legislation which I filed would require a special election to fill such vacancies instead of a vote of the Board and the Committee.

Since the proposed legisla-

Newton High Hockey Team Tied For Lead

By PETER RYAN

Newton High School's hockey team jumped back into a first place tie in the G.B.I. League as a result of a 7-0 victory over Somerville at the Arena last Saturday while Waltham was scoring a stunning 2-0 upset triumph over previously unbeaten Arlington.

Deadlocked with Newton at the top of the G.B.I. standing are Arlington and Brookline.

This week the Tigers face fifth-place Cambridge Latin, a 5-1 victim earlier this season. Arlington plays Rindge, and Brookline meets scrappy Waltham.

Dick Toomey had three goals and one assist Saturday to increase his league leading total to 24 points. Jeff MacLaughlin chipped in with four assists to give him 19 points and a second place tie in the scoring derby.

George Mechem put the Tigers ahead, 1-0, in the second minute of the Waltham game as Dick Toomey and MacLaughlin set him up for a

The Pearlman letter asked whether Newton's teachers of social science could not, in their teaching, cover the subject of equal education for all.

Freedman declared that the teachers were free to teach as they see fit, because the effort to solve Boston's problem was a matter of current events. However, he added, the Newton School Committee is a legal body, and therefore Newton students could participate without having to stay out of school.

He went on to say that he intended to press Connolly "as hard as I can to contend for this seat if I am unable to fulfill it."

Committeeman Francis P. Frazier remarked that the Boston problem is an enduring one, and that they would like from the committee an expression of concern so that Newton youngsters "will grow up to be less biased than their parents."

The Pearlman letter asked whether Newton's teachers of social science could not, in their teaching, cover the subject of equal education for all.

Freedman declared that the teachers were free to teach as they see fit, because the effort to solve Boston's problem was a matter of current events. However, he added, the Newton School Committee is a legal body, and therefore Newton students could participate without having to stay out of school.

He went on to say that he intended to press Connolly "as hard as I can to contend for this seat if I am unable to fulfill it."

In closing, Galvin said he might even volunteer to be Connolly's campaign manager if you don't mind big telephone bills."

LOVELY VALENTINE USHERS — Newton-Wellesley Hospital student nurses who will serve as ushers at tomorrow night's Valentine Ball sponsored by the Junior Aid Association. Left to right, Anne Marie Walsh, Margaret Ann Shea, Ann Valley, Cynthia Baptist, Maureen Driscoll, Joyce Hanney, Charlotte Cabral and Leslie Bray.

Valentine Ball Will Help Local Hospital

The annual and colorful Valentine Ball of the Junior Aid Association of the Newton-Wellesley Hospital will be held tomorrow, Friday night, February 14th, in the West Newton Armory.

Proceeds of the affair this year will help to equip the hospital with an electro-encephalograph, a machine which aids in the diagnosis of mental disorder.

In past years the ball has enabled the Junior Aid Association to provide the hospital with a new call system, an instrument preparation center and a jeep with snow plow attachment.

Those reserving the round tables seating ten will find the Armory transformed into a Victorian pavilion of pink and gold.

The Canessas, dancing stars of "Oklahoma!", will present some of their original choreography through the kindness of Mrs. Juliet Ferguson.

One highlight of the evening will be the drawing by Ernest Ruegg of the winning ticket for a two-week trip to Acapulco. The trip was donated by the Ruegg family for the benefit of the hospital.

Among the many ladies

sponsoring the Ball include Rev. and Mrs. Robert Colledge, Mr. and Mrs. Robert Smith, Dr. and Mrs. Bartlett Stone, Mr. and Mrs. Jarvis Farley, Judge and Mrs. Gardner Russell, Mrs. Edward Garland, Mr. and Mrs. H. Brian Holland, and Mr. and Mrs. Robert Mustard.

Sponsors for the Ball include Rev. and Mrs. Robert Colledge, Mr. and Mrs. Robert Smith, Dr. and Mrs. Bartlett Stone, Mr. and Mrs. Jarvis Farley, Judge and Mrs. Gardner Russell, Mrs. Edward Garland, Mr. and Mrs. H. Brian Holland, and Mr. and Mrs. Robert Mustard.

Hostesses in the various rooms, from the Oak Hill Park Woman's Club, include Mrs. Kenneth F. Giracca, president, Mrs. Norman S. Berkowitz, Mrs. Leonard J. Bloom, Mrs. Clarence L. Cormier, Mrs. Henry A. Parodi, Mrs. Theodore Saltzman, Mrs. Harry Sudman and Mrs. Albert A. Wickson. Everyone is cordially invited to attend this friendly occasion.

Mrs. Walter B. Littlefield is in charge of this exhibit, which includes pottery, weaving, drawings and other art forms showing the influence of work done by the early American settlers and Indians.

As a special treat, Mrs. William H. Walker, dressed in a lovely old fashioned gown, will demonstrate weaving in front of the kitchen fireplace. Also, two Campfire Girls in costume will greet the guests. Of nostalgic interest will be the children's costumes, including an 1851 christening dress, arranged by Mrs. William R. Greve, supervisor of art education.

Down Memory Lane," a journey back to the horse and buggy days, will be presented by Stanley H. Smith at a meeting of the West Newton Woman's Club Wednesday, Feb. 19.

The business session at 1:45 p.m. will be conducted by the president, Mrs. John B. Naylor. Mrs. John F. Leonard, chairman, and her Hospitality Committee, will be dessert and coffee hostesses at 1 p.m.

Education Discussion Units

Formed By Women Voters League

Current activities of the Educational Committee of the League of Women Voters of Newton constitute a half-way point of a three-year plan for improving instruction in the city's public schools.

The committee has made a study of the comprehensive school improvement program, which covers all grades from kindergarten through Grade 12, that was made possible through a grant of \$266,000 from the Ford Foundation that became available in 1962.

The study has revealed that new programs have been launched in some schools and that in others existing programs are being extended and developed. The members feel that all who are interested in education will want to discuss these programs at length and in detail, and for that purpose a number of discussion units have been planned.

Units are to meet as follows:

- Tuesday, Feb. 18, 8 p.m. — Home of Mrs. Lloyd Williams, 30 Jacobs Terr., off Hartmann Rd., Newton Centre Leader, Mrs. Robert Wofsey.
- Wednesday, Feb. 19, 9:45 a.m. — Newtonville Library, 345 Walnut St., Highland Ave. entrance. Mrs. Harold J. Stein, leader.
- Wednesday, Feb. 19, 1:15 p.m. — Home of Mrs. Ernest Picard, 14 Halcyon Rd., off Parker St., Newton Centre. Mrs. George Gerard, leader.
- Wednesday, Feb. 19, 8 p.m. — Home of Mrs. Michael J. Ambrosino, 556 Centre St., Newton. Mrs. Roy Lapidus, leader.
- Thursday, Feb. 20, 9:45 a.m. — Newton Highlands Workshop, 72 Columbus St. Leader,

125 Students Visit Temple Friday Night

More than 125 students from other lands, representing over 40 countries, studying at colleges and universities in the Greater Boston area, will be dinner guests in the homes of members of Temple Shalom of Newton tomorrow, Friday evening, February 14.

The students will also attend the regular Friday evening religious service with their hosts, which will begin at 8:30 p.m., and will be honored guests at the International Ong Shabbat following the service.

Mr. and Mrs. Eugene M. Brody are chairmen of the "People to People Sabbath," and committee members include Mrs. Frank Bernstein, Mrs. Milton Goldberg, and Mrs. Martin Levene.

This annual event is sponsored by the Social Action Committee of Temple Shalom of Newton.

Temple Students In Their Annual Siyyum Rites

One hundred forty-five students of the Aleph classes of Temple Emanuel will conduct their annual Siyyum celebration in accordance with Jewish tradition marking completion of their Alphon on Sunday, Feb. 16.

The five Aleph classes will conduct miniature programs all of which will reflect the nature of their studies to date such as Hebrew, Customs and Ceremonies, etc. In honor of this occasion, all students will receive a copy of the Siddur to which will be attached some sweets in the spirit of the prayer, "May the words of Thy Torah be sweet to Thy people."

Rabbi David Weiss, associate rabbi of Temple Emanuel, will address the parents. Dr. Martin Goldstein, educational director, will be in charge of the program. Aleph teachers are: Miss Judith Armet, Mrs. Benjamin Boyer, Miss Eleanor Cohen, and Mrs. Isidore Fischer.

The Annual Beth Music Festival of Temple Emanuel will be conducted on Sunday in honor of Jewish Music Month.

The Beth classes have selected as their theme a series of songs associated with the period of Jewish history that they are studying; namely, the Biblical period of Judges and Kings. Accordingly, they will sing songs about Deborah, the Psalms of David, and selections from Shir Hashirim by Solomon. The students will be led by their teachers: Miss Judith Armet, Miss Eleanor Cohen, Mrs. Isidore Fischer, Mrs. Barry Karger, and Mrs. Ralph Rubin.

Featured in the program will be a number of selections by the Temple Emanuel Glee Club under the direction of Lou Slager.

Following the program a committee of the Parent Teachers' Association will serve refreshments.

Party For Aid In Asthma Care

Mrs. J. Copeland, Mrs. Monroe Glick and Mrs. Shepard Sumberg of Newton assisted Mrs. Harold Holicker of Newton, the event's chairman, at the recent luncheon and card party held in Chestnut Hill for the benefit of CARIH, the Children's Asthma Research Institute and Hospital at Denver.

The institute rehabilitates the nation's most seriously ill asthmatic children, and conducts research into the causes and cures of asthma and other allergic diseases.

The successful afternoon at Chestnut Hill was the kick-off for the Building Fund Drive, which will enable CARIH to construct a new dormitory to house 24 additional youngsters that they may live.

Hospital Sings Firemen's Praise

Newton-Wellesley Hospital, through its director, William S. Brines, found reason recently to be grateful to the members of the Newton Fire Department for their efficiency and helpful instruction.

Gratitude was expressed in the following letter to Chief Frederick A. Perkins, Jr.:

"I apologize for this late note.

"It is always very reassuring to feel that should we need a fire department assist, just about the best there is would respond.

"Obviously, the recent cigarette-and-wastebasket flicker was hardly an occasion for fear. Yet the little things prove the big things. Your men and your apparatus arrived quietly but in force—and promptly at the precise point where attention to a real fire would have made the difference. Our personnel responded to the alarm, fulfilling their assignments and reassuring patients just as your department aides have instructed and as our drills have helped to foster.

"I am ever mindful of what could be, and write not only to thank you and yours for your competent support, but to sing your praises!"

Four Students Will Be Honored Monday

Four outstanding Newton High School students will be honored by the First Unitarian Church in West Newton next Monday, February 17, at the second annual Brotherhood Dinner sponsored by the church.

The students, two from Newton High and two from Newton South High, were selected by their respective schools "for demonstrating positive characteristics of a democratic and tolerant spirit toward fellow students and acquaintances in keeping with the highest principles and traditions of American democracy and freedom loving people everywhere."

The students are: Newton High — David S. Bliss, son of the Rev. and Mrs. Sidney K. Bliss, 67 Waverly Ave., Newton, and Joanne F. Greenberg, daughter of Mr. David H. Greenberg, 41 Exeter St., West Newton.

The students from Newton South High are Eric J. Morgenstern, son of Mr. and Mrs. James S. Morgenstern, 21 High Rock Terrace, Chestnut Hill, and Deborah A.

Stone, daughter of Mr. and Mrs. Stephen A. Stone, 180 Elgin St., Newton Centre.

Parents of the recipients have been invited to the dinner-program to witness the presentations.

Richard A. Lowell, 13 Hillside Terrace, West Newton, chairman of the board of trustees of the Unitarian Church, will make the presentations on behalf of the church.

The students were nominated for the awards by the student bodies of their respective schools, through the senior class committees and approved by the Associates Council and a faculty committee.

Dr. Harvey Cox of Andover-Town Theological School faculty will be the dinner speaker. He will speak on "Youth Shock Troops of Brotherhood." A participant in many civil rights marches and other civil rights movements, Dr. Cox has spent three days in jail in Williamsburg, N.C. He will be introduced by the Rev. Dr. Leslie T. Pennington, minister of the First Unitarian Church.

Rabbi Philip Kieval of Temple Reymann, Auburndale, will deliver the invocation and Rt. Rev. Bernard E. O'Kane of St. Bernard's Church, will give the benediction.

John W. Gurry, 57 Hunnewell Ave., Newton, is the Brotherhood dinner chairman.

Others serving on the dinner committee are: Mr. and Mrs. Charles C. Colby, 43 Oakwood Rd., Newtonville; Mr. and Mrs. Charles Levy, 61 Central St., Auburndale; Mrs. Langdon W. Chandler, 44 Cheswick Rd., Auburndale; Mrs. Robert Daniels, 63 Perkins St., West Newton, and Stanley Kulik, 101 Central St., Auburndale.

Charge School Doesn't Meet Safety Needs

Chairman Haskell C. Freedman of the Newton School Committee read to the members at Monday night's meeting a petition from Herbert L. Aswad, building committee chairman of the Horace Mann PTA, and 160 residents, in which the School Board was asked to reconsider its position that the third-floor auditorium of the 57-year-old Stearns School building meets safety codes set down by the Commonwealth.

Freedman told his members that although the facts set forth in the petition were wrong, he would read it anyway.

The petitioners charged that the auditorium is not equipped with a fire escape or any means of emergency exit, and that there are no sprinklers in the auditorium or on either of the two stairways leading to it.

Superintendent of Schools Charles E. Brown had informed the president of Horace Mann PTA in a recent letter that the Stearns building, which now houses a number of pupils who were evicted by last year's fire in the old Horace Mann School, had been declared safe for occupancy.

In the letter, which was quoted in the petition, Dr. Brown went on to say "we will expect all the children at the Stearns School to use the auditorium. In event that the children are instructed by their parents not to use it, we will take action appropriate to the serious nature of such a situation."

Most of the petition's signers were parents of former pupils of the Horace Mann School, but included were the signatures of Rep. Joseph G. Bradley, Alderman Andrew J. Magni of Ward 1 and Ward 2 Alderman George L. Hicks.

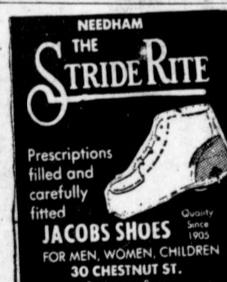

300th Birthday Services To Be Held On Sunday

Dr. Albert J. Penner, president of the Massachusetts Congregational Christian Conference, will be the guest preacher at the 11 o'clock morning service next Sunday, February 16, at the First Church in Newton.

This will be one of the important special services held in connection with the year-long celebration of the 300th anniversary of First Church's funding.

Dr. Penner will be introduced by Rev. Frank M. Weiskell, the pastor.

After the worship service, a reception will be held for Dr. Penner in the parish hall. Coffee will be served. This reception will be in charge of the Deaconate Board, led by Samuel H. Back, moderator of the church.

3 Petitions For Streets Are Approved

No opposition developed Monday night to three street acceptance petitions given public hearings before the Board of Aldermen, and to a petition for an increase in the amount of stored inflammables.

Approved by the board were the following:

Acceptance of Beecher Pl., Ward 6, under the betterment act, from Langley road to beyond Beecher terrace. Also, Lawmarissa road, Ward 5, from Moffatt road to beyond Oak Vale.

The third acceptance was for Louise road, Ward 8, southwesterly from the already accepted portion.

Approval was given a petition of Community Service

Claims Teens Lead In Freedom Drives

School authorities are wrong when they claim that Boston's "Stayout for Freedom" is being foisted on children, a faculty member of the Andover-Newton Theological School said here Monday night.

Speaking at the annual Brotherhood Dinner of the First Unitarian Church in West Newton, where four local high school students received awards, Dr. Harvey Cox said from his first hand experience "that the most enthusiastic participants in the freedom movement in Boston are teen age youngsters."

"Not only is this true of Boston," Dr. Cox said, "but it is true of the now famous sit-in movement in North Carolina."

Dr. Cox, who spent three days in a Williamson, N. C.,

Mayor Plans Dog Control Action Soon

Mayor Donald L. Gibbs is planning to take some action within the next two months to meet Newton's dog problem.

He has not yet decided exactly what he will do, but it is expected that he will follow the recommendation of the Board of Aldermen and appoint a dog officer who would police the city's canine population and haul unruly dogs to a city pound.

Meanwhile, the Board of Aldermen on Monday night held up the Mayor's reappointment of Dr. Richard C. Schofield of 110 Beacon St., Newton Highlands, as the city dog officer for a period of one year starting next May 1.

Also tabled by the Aldermen was the Mayor's nomination of Dr. Schofield for reappointment as inspector of animals for a year starting April 1.

Aldermanic Claims and Rules Committee Chairman Harry H. Ham, Jr., who has studied the dog problem at length, is to confer with Mayor Gibbs before the recommended reappointment of Dr. Schofield are acted upon.

It is generally assumed that a dog officer will be selected by May 1, the date Dr. Schofield's reappointment would become effective. Whether he would have the title "dog officer," is uncertain.

Scholarship Fund Elects Shor as Head

Henry K. Shor, president of the Newton PTA Council, has been elected chairman of the Newton High School Scholarship Fund.

This fund was started in 1958 to provide educational assistance, for the freshman year, to needy but deserving students. At present there is \$5746.93 in the fund, which is deposited in the trust department of the Newton Waltham Bank and Trust Co.

The fund has been inactive for the past two years with no income or scholarship awards given. This will now change.

It is hoped that with Mr. Shor as chairman and with a strong executive committee, interest will be aroused in this fund and it will again become active.

GOP Governor Candidates Battling Like Democrats

It has been a long time since the Republican party in Massachusetts has seen a battle as furious as the one now being waged between ex-Governor John A. Volpe, ex-Representative Francis W. Perry and State Senator Philip A. Graham for the right to run as the GOP nominee for Governor.

Perry and Graham have leveled a series of blasts at Volpe, concentrating much of their criticism on Volpe's lame duck administration in the closing weeks of 1962 after his defeat for reelection and accusing him of wheeling and dealing with the Executive Council during that period.

Mayor, Aldermen To Tangle On Pay Hikes

Newton pays its school and school budget which the Aldermanic Finance Committee is preparing as it does its police chief.

This is one of the comparisons on which members of the \$26,718,966 municipal

Slated for detailed scrutiny

tiny and probably argument by economy-minded Aldermen are pay raises ranging up to \$3200 a year which the Mayor has recommended for city department heads.

Mayor Gibbs has proposed the biggest salary increase for Public Works Director Willard S. Pratt, recommending that he be raised from \$12,800 to \$16,000 a year.

Also included in the budget are provisions that the pay of the police chief and fire chief be boosted from \$10,400 to \$12,000 a year.

Whether the Aldermen will sanction those raises in the full amounts recommended by Mayor Gibbs is presently uncertain.

In the same budget, however, is a provision that the salary of the school truant officer be increased next September from \$11,375 to \$12,125 per year.

The truant officer now receives \$975 more a year than the police chief. If the budget is adopted in its present form, the truant officer would be getting \$125 a year more than the head of the police department next September.

One big difference as far as the Aldermen are concerned is that they have the power to reduce the salary increase recommended by the Mayor for the police chief but they cannot touch the raise voted by the School Committee for the truant officer.

Another comparison sharp-eyed Aldermen point out is that the city's public works director is now paid \$12,800 a year while the secretary to the School Committee receives \$14,000 a year.

Proclaims Heart Sunday

Mayor Donald L. Gibbs is shown as he signs official Heart Sunday proclamation. Witnessing the event are, left to right, Mr. and Mrs. Stanley N. Pearlstein, Heart Sunday co-chairmen, and Mrs. E. Tyler Parkhurst, Heart Fund general chairman.

Heart Drive Here Sunday

A corps of dedicated volunteer workers will make a thorough house-to-house canvass of Newton next Sunday, February 23, as the annual "Heart Sunday" fund-raising campaign is launched locally. Co-chairmen of the Sunday effort are Mr. and Mrs. Stanley N. Pearlstein, General chairman for the Heart Fund campaign in this city is Mrs. E. Tyler Parkhurst.

Mayor Donald L. Gibbs officially designated next Sunday as "Heart Sunday" in a proclamation which also marked the entire month of February as "Heart Month."

General chairman Mrs. Parkhurst stated today that the Heart Sunday house-to-house solicitation will extend throughout the week of February 23 to allow ample time for every Newton resident to support the drive locally.

Carmen Heads CJP Campaign In This Area

William Carmen, prominent civic and business leader, has been named chairman in Newton for the 1964 Appeal of the Combined Jewish Philanthropies of Greater Boston.

The announcement was made by Bert Rabinowitz of Wellesley Hills, chairman of the Metropolitan Division who stated that the campaign will officially open March 15.

The Metropolitan Division comprises some 40 cities and towns in the Greater Boston area. Mr. Carmen will be responsible for fund-raising activities in Newton which is part of the Central Area including Boston, Brighton-Alston, Brookline, Hyde Park, Dorchester - Roxbury - Mattapan, South Brookline, and West Roxbury. Bertram R. Paley and Harvey I. Pofcher are co-vice chairmen in charge of the Central Area.

Keep the lines of communication open between parent and child . . . Restore the home to its rightful position of responsibility for children's behavior . . . Help children find their own individualities . . . were a few recommendations made by Dr. Charles E. Brown, Superintendent of the Newton Public Schools as he struck the keynote of the Parents' Round-Table Discussion held at Bowen School, Wednesday, February 12, at Brighton section to fill a void.

FAMILY — (See Page 2) OPPOSE — (See Page 5)

Dangel said he had attended the State House hearing on Fishman's bill along with Mayor Donald L. Gibbs and several other Aldermen, all of whom recorded their objection to the measure.

Mayor Gibbs told the legislative committee on cities, Dangel stated, that each special election in Newton would cost approximately \$12,000.

Dangel asserted that it is difficult to persuade voters to go to the polls for special elections. He cited a relatively small turnout at a recent special election in the Allston-Wellesley section to fill a void.

Candidates To Have "Night" In Senate Race

Residents of Wards 1, 6 and 7 of Newton, which are included in the district where a special Senate election is to be held, are invited to attend a Candidates' Night next Thursday (Feb. 27) being sponsored jointly by the Newton and Brookline Leagues of Women Voters.

The Candidates' Night will be held at the Driscoll School on Westbourne terrace, behind Best & Co. in Brookline. A number of candidates in the Brookline town election will speak during the first half of the meeting. The Senate candidates will speak in the second half.

The other committee members are Frank Lombardi, John I. Ahern, John Rubenstein, Arthur Gregorian and the Rev. Louis E. Ford.

Matters for the attention of the Human Relations Committee should be addressed to it at City Hall.

Mr. Perry, a former Representative from Duxbury and candidate for lieut. governor in 1962, is widely known for his work in exposing corruption in the Commonwealth. His work has led to indictments of some persons, and the conviction of the State Waterways director.

The meeting will be conducted by the president, Leonard Alford, who will also introduce the guest speaker. The public is invited.

Family (Continued from Page 1)

the mid-winter meeting of the PTA.

The topic of the evening was "The Puzzling Role of Parenthood in Character Development."

Parents, educators, and interested friends joined in small groups to discuss various aspects of the problems arising from increasing tendencies toward violent behavior in children today.

Leading these discussion groups were Dr. Norman K. Gottwald, Lowry Professor of Old Testament at Andover Newton Theological School, and chairman of the Committee for the Open Letter on Public Responsibility: Dr. Harry H. Crosby, Professor of English, Boston University, and chairman of the Newton High School Committee on Teen-Age Problems; Dr. Reuben J. Margolin, Associate Professor of Social Sciences, Northeastern University, and education chairman, Action for Mental Health in Newton; Rabbi M. David Weiss, associate Rabbi, Temple Emmanuel, Newton; Jerry Angino, attendance supervisor, Newton Public Schools; and Dr. Howard R. Murphy, former Professor of History, Ripon College, and historian, USAF Hanscom Field.

Each discussion group had its own recorder, who subsequently reported to the general meeting the findings of his respective group. The recorders were Milton L. Levy, Mrs. T. J. Tercyk, Mrs. Frank M. Chambers, Mrs. Alexander Wallace, Jr., Mrs. Arthur S. Laughland, and Mrs. Melvin Cohen, all Bowen parents.

"We as parents and teachers should be willing to take an honest look at ourselves to see ourselves as we really are," stated Dr. Brown. "We must recognize the tendency today toward mass conformity and strive to help our children to see themselves as individuals."

He went on to make a connection between the continuing absence of peace and children's behavior. He also pointed out the distorted sense of values that seems to be influencing children today, with too much emphasis on material possessions and too little on integrity of character.

A recommendation for the return of the father as the strong element in the family was made by Dr. Gottwald, who also urged more opportunity for playing together as a family. In distinguishing between force and violence, Dr. Gottwald observed that force, as a rational act for a good end, was often necessary and even desirable; whereas violence was the senseless, irrational response to a situation where an individual feels helpless, frustrated, and inarticulate.

"Tolerance can be a weak word," he said, "but in its best sense it requires an understanding of the other fellow."

A problem that many Newton families have, Dr. Crosby remarked, is a paradox of opportunity. "Things are good for us in Newton, but there is always something wrong, such as smashed cars or party crashing." It is important, he said, to be self-critical, to be willing to be outraged at the wrong doing of our children, and to be no less willing to praise their right doing.

Dr. Margolin urged that people recognize the complexity of these problems and

March 4 Is Deadline For Registering

Newton residents not now enrolled as voters, who desire to cast ballots in the special State Senate primary on March 24, have until March 4 to register and have their names added to the city's voting list. Election Commission Chairman Arthur G. Heaney announced last night.

Heaney declared that the election department offices are now open daily from 8:30 a.m. to 4:30 p.m. for the enrollment of voters and will remain open until 10 p.m. on the night of March 4.

He said that registration of voters for the special State Senate election on April 14 will be held on only one day — March 25 — when the election commission offices will be open until 10 p.m. March 27 is the final date to register for the April 28 Presidential Primary.

realize that valid solutions cannot be simple. He felt that too many families have abdicated their responsibilities today. He also commented on the tremendous pressure that children feel today in their school work.

Rabbi Weiss recommended

a complete reversal of prevailing notions of honor and manliness, so that the use of guns and other forms of aggressive behavior may no longer be held in esteem.

In conclusion, Dr. Brown expressed the hope that Newton strive "so to work with children that we do not produce people who are brilliant but have no sensitivity, who have a lot of knowledge but no understanding."

This meeting was planned

Heart Area Workers Named For Recruiting

The efforts of 16 1964 Heart Fund area chairmen, whose appointments are announced by the Massachusetts Heart Association, are playing a significant role in the 1964 campaign to make possible research, education and community service.

Following are the appointees, who are recruiting cap-

the social customs, economic or political conditions in their countries. Groups interested in hearing a foreign student should apply to Mrs. Janet Kaplan, LA 7-2999.

Elected

George Selby, of Newton, has been elected president of the Men's Division, Aid to Muscular Disease Research campaign to support the search. He has outlined program in this area.

Students

(Continued from Page 1)

2800 foreign students from 60 different countries.

The local school systems undertake the actual school expense of A.F.S. pupils from abroad. Both Newton high schools are keenly interested in the A.F.S. program. Newton is fortunate to have five students from abroad for the year 1963-64.

The Newton Chapter, led by co-presidents, Mr. and Mrs. Richard Jarrell of Waban, is proud of its present crop of "AFSers." The five students live with their "host" families as sons or daughters and in each case has a "brother" or "sister" or both.

At South High are Bandoo Kale of India living with Dr. and Mrs. Harry Shwackman and Val Vidal of the Philippines with Mr. and Mrs. Joseph Oppenheim. At Newton High are Gabi Holzer of Austria with Dr. and Mrs. Richard McCann, Anneka Ehrens of Sweden with Mr. and Mrs. Walter Muther and Reinhard Rack of Austria with Rev. and Mrs. Frank Weiskel.

By living for an extended period of time in private homes, these students learn how Americans live and what the United States is really like, as contrasted with the often distorted impressions created by our movies and magazines.

On the other hand, the American families and friends learn to look at themselves and America through the eyes of these young visitors.

All the foreign students talk to assemblies of students at different schools, to PTA's and other civic groups about their educational systems, or

Heart Fund Workers Will Call

Heart Fund volunteers making their dedicated way from house to house soliciting funds for Heart Sunday on the 23rd will wear a distinguishing tag in order to identify themselves.

This is a white cardboard square with a blue border and the familiar blue torch grasped in an upthrust hand against a red heart, in the center. There is a dotted line for the name of the worker above the legend Heart Fund Volunteer.

It is presumed that all solicitors on Sunday will wear one of these tags which come complete with red string to affix to an article of clothing.

As a testament to our troubled times, it is being constantly recorded by organizations seeking funds for worthy causes, that housewives are wary of allowing solicitors, whether they be men or women, to enter their homes.

This caution is praiseworthy. In fact, it is recommended by police and safety officials. In the face of recent violent events recorded in the news it would be a foolhardy woman indeed who would admit any stranger to her home however respectable the appearance or demeanor.

It is for this reason that Heart Fund volunteers are supplied with identifying cards. People with lawful endeavors should carry official identification in one form or another if they must operate in any neighborhood via the front doors.

Many eminently respectable gentlemen must make their living by pushing the doorbells of the nation's communities. But, if these individuals cannot provide acceptable credentials before crossing the thresholds, the chances are very good that they will never make the entrance, around these parts.

So, watch for the bright little cards of the hard working Heart Fund workers on Sunday. This is a most worthy cause.

A city-wide organization is striving for the most successful campaign in Newton history. Heading the army of volunteers is Mrs. E. Tyler Parkhurst, general chairman of the Newton Heart Fund drive; Mr. and Mrs. Stanley N. Pearlstein, Heart Sunday co-chairmen, and Police Chief Philip Purcell, honorary Heart Sunday chairman.

Concerned Adults Lend Hand

The Round Table discussion on current problems concerning adults, families and teen-agers, sponsored recently by the Bowen School PTA, produced many interesting and constructive ideas all directed towards a possible solution to a serious contemporary situation.

It is of value to note that many adults turn the finger of blame in their own direction as in that of the youngsters in many cases. This is usually in contrast to the attitude taken by most of the young people involved in delinquency. They invariably put all the responsibility on the shoulders of their parents, teachers, or other grown-ups.

The ability to evaluate one's own shortcomings and to stand up to the music is a characteristic often found lacking in many of today's young people who run afoul of the law.

The Bowen School PTA endeavor is another such project now underway in this city. Educational, civic and religious leaders are giving of their time and energies in a valiant effort to seek out a workable solution to the crises. It is prevalent here as elsewhere and demands co-operative action to end it — or at least control it.

Unfortunately, as is so often mentioned, the sensible kids, and they are in the majority, are forced to shoulder the blame for the heedless antics of their less balanced colleagues in youth.

These are trying times for growing up and the adult world is well aware of the problems of transition from adolescence to maturity.

All of us went through the stages and in our day had struggles of our own and those of an equally mixed-up world to surmount. Funny part of it is there were very few adult hands reaching out to help up over the hurdles, but we made it.

Negro Education

Editor of The Graphic:

As firm believers in better education for all children, we should like to put forward the following proposal for consideration by the people of Newton and the Newton School Committee.

We would propose that starting in September, 1964, the City of Newton offer to educate each year approximately 50 young Negro children from the Roxbury-South End area, Newton bearing all the expenses of transportation and lunch.

One of the most immediate needs of the Negro people is good education for their children, so that these young people may prepare themselves for creative and productive employment, and where, but in Newton can a superior education be obtained.

Newton is pioneer in creative education. Newton has forged ahead in new programs where other towns have lagged behind waiting for proven results. Once again let Newton lead the nation in education.

Undoubtedly, problems will arise in the organization of such a project, but I feel confident that with the experience that Newton educators have had in all fields, nothing but fine accomplishment will result.

We feel quite certain that the people of Newton, whose children are receiving a fine education, would be more than willing to share our good fortune with those less fortunate.

SYLVIA and JOS. KELLEY,
37 Chesley Rd., Newton Ctr.

Against Fluoridation

Editor of The Graphic,

If the Newton water kills plant life, must it not follow that it is harmful to humans?

I live in Maine eight months of the year, and often cut off shoots from a beautiful, large Swedish ivy plant. These are put in water and within a few days they send out an abundance of healthy white roots. These shoots grow larger, putting forth new branches and the leaves stay glossy and green. Relatives in New Hampshire report the same success with slips from this plant.

However, before returning to Maine last spring, having spent four winter months here in Newton, I cut off several slips from the ivy and instructed my sister to keep them in water until a mass of roots formed when she could put them in soil and make a new plant. No roots appeared, the stems turned brown, and the leaves shriveled up and died.

When I came back to Newton last November, I tried again to have ivy slips grow in the Newton water, and again the same thing happened—no roots—stems rotted and died. I might add that none of my house plants which I have to bring back here during the cold winter months are as vigorous and flourishing as they are in Maine.

There are inexpensive, harmless decay preventatives on the market for those who wish to use them, but why should the great majority of the inhabitants in Newton be subjected to this toxic material, sodium fluoride, with its possible harm and in fact real danger to the human system?

Very truly yours,
MARION G. GAFFEY,
42 Fairmont Ave.,
Newton Mass.

Political Highlights

(Continued from Page 1)

Graham has taken an occasional clout at Perry emerge the winner from the hectic three-way struggle. And also has announced that if he is elected to the Governorship one of his early actions would be to throw out Republican State Committee Chairman Frederic C. Dumaine.

Perry feels that his fight is with Volpe rather than Graham. He has made Governor Peabody his prime target and Volpe his secondary one. He has asserted, among other things, that neither Peabody nor Volpe has displayed the leadership the people have a right to expect from a Governor.

While Perry has abstained from any attacks upon Graham, the likelihood is that the two will engage in some face-to-face debates before the GOP State Convention in June, with an empty chair for Volpe if the latter fails to show up.

Volpe has been trying to avoid any rough-and-tumble political combat with Perry and Graham and has turned down their sharply worded challenges to debate. It is doubtful that he will be able to do so indefinitely.

Graham caused a raising of eyebrows when he indicated that he may carry his fight into the primary if Volpe should gain the endorsement of the State Convention without debating the issues. That is not a prospect Volpe would relish.

There is nothing phoney as a Republican this year, about the attacks Perry and Volpe told members of the Graham are levelling at Volpe. While Perry and Graham were on friendly terms before they launched their present campaigns, the relations of both with Volpe were on the chilly side.

Perry viewed Volpe with scant enthusiasm even when the latter was Governor. Graham, incidentally, was one of Volpe's opponents at the 1960 Republican State Convention.

Perry was the GOP nominee for Lieutenant Governor in 1962 and Volpe's running mate—but only because Volpe was unable to prevent him from getting the nomination.

Volpe wanted Senator John F. Parker of Taunton as the Republican candidate for Lieutenant Governor and tried to swing the convention endorsement to Parker. Perry, however, had too much grass roots strength and got the convention nod over Volpe's opposition.

So when Perry winds up and takes a swing at Volpe, he feels no restraint to soften the blow.

One reason Perry and Graham are fighting so grimly for the gubernatorial nomination is that they are convinced that Governor Peabody has been a disappointment to the people of Massachusetts and can be defeated in November.

"Things are so good that even Johnny Volpe is running

But if Volpe doesn't win on the first ballot at the Republican State Convention, he may not win at all.

One thing to remember about this fight is that the Republicans have a convention rule that the low man on each ballot is eliminated.

If no candidate polls the votes of a majority of the delegates on the opening ballot, it then would become a two-man contest, assuming, of course, that no other contenders enter the field.

In such an event the fight might take on an entirely different complexion.

The political experts are wondering how the Republican voters and especially the GOP delegates will react to the kind of two-fisted campaigns being waged by Perry and Graham.

They're not sure of the answer, but they are certain that Perry and Graham are generating new excitement and pumping new life into the Republican party.

Aldermen Charles F. Hovey and John P. McCarthy were absent.

The other 12 members, including Dangel, voted against reconsideration, thus reaffirming their objection to the proposal for transferring the right of filling vacancies to the voters of the city.

The vote on reconsideration reflected a change in the attitude of several Aldermen.

When Dangel originally offered his resolution on Feb. 3, it was approved 17-4. On Monday night it barely survived reconsideration.

Local Students To Attend Hub Freedom School

More than 100 Newton youths registered last week to attend Freedom Schools next Wednesday, February 26.

Mrs. David Ricks, registrar, told a meeting of the Newton Stay-Out-For Freedom Committee at the Eliot Church of Newton last Saturday that many more applications signed by parents are expected this week.

Newton high and junior high school students who wish to attend one of the fifty Freedom Schools in Boston during their vacation may still get applications by calling her, she said.

Matthew Jefferson, 15 Prospect St., West Newton, reported that supervised bus transportation has been arranged. Each student will receive a registration card, he said, with the name of the Freedom School on it and the place and time the bus will depart and return.

Freedom "Schoolettes" for fourth, fifth and sixth graders will be held in three Newton churches. Mrs. Roy Lapidus, 18 Dorr Rd., Newton, told the committee that two college professors have cancelled classes on February 26 to join the staff of the "Schoolettes."

The program will include the reading of poetry and stories, discussion of the meaning and purpose of the day's events, recordings and folk singing led by Mrs. Alice Aranon and Mrs. Anita Jagel, both of Newton. Applications will be accepted until February 22.

Stations, Inc., for storage of an increased amount of inflammables at 79 Needham street, Newton Highlands. The increase made necessary by the growth of the retail end of the business, it was stated.

An item in which the director of public works requested an appropriation of \$40,500 for resurfacing and reconstruction of Walnut street and reconstruction of the bridge at Bemis over the Charles River, was held pending receipt by the Board of additional details and clarification.

The following requests for sewer and drain appropriations by the director of public works were approved: Drain in Brookline street, Ward 8, \$3100; Brookline street sewer, Ward 8, \$14,900; drain and sewer in Johnson place, Ward 4, \$10,300.

On recommendation of the mayor and the commissioner of public buildings, it was agreed that there was necessity for hiring consultants to design plans and specifications for the new incinerator construction, and appropriation of \$190,000 for the purpose was readopted.

Behind Holmes Motors Inc., stands over 10 years of courteous service to the automobile buying public. Said Ed Holmes, president and treasurer of the well-known dealership, "The customer deserves the fullest measure of personal attention and service. He needs and wants information guidance and assurance. Our long experience and fine staff guarantee these personal benefits to every customer."

Such a policy produces a lot of friends. "Just goes to prove the old adage," states Bud Miller, "which holds especially true in the automobile business. If you're selling the best product around and you're selling it at the best price, why you don't have to worry about friends."

Open house will be held at Holmes Motors, Inc., on Wash-

ington's Birthday. Greeting visitors will be Ed Holmes; Bob Mabie, general manager; Bud Miller, sales manager; Sherman Beattie and Peter Wallace.

These men will be more than happy to assist visitors in choosing a new Lincoln, Mercury, Comet or a fine used car.

While continuing its classic styling theme, the 1964 Lincoln Continental incorporates substantial increases in interior spaciousness and luggage capacity.

The 1964 model represents the first major change in dimension of the Continental since the current series was introduced in 1961. A three-inch increase in car length, wheelbase and rear door width, together with a wider roof, give the 1964 Lincoln

Continental interior spaciousness and improved riding qualities that are translated directly to increased passenger comfort.

Many convenience and luxury features that are extra cost options on other cars continue as standard equipment on Lincoln Continental. These include such power items as steering, brakes, six-way seat, side and vent windows, and radio antenna.

Also standard are AM radio, heater and defroster, electric windshield washers and hydraulic windshied wipers, wheel covers, white sidewall tires, 40-ampere alternator and rear-seat radio speaker. A rear-seat speaker for the convertible is available for the first time.

New features added as standard equipment for 1964

are automatic parking brake release, trip odometer, fuel warning light, map light and reading lights on the sedan.

Lincoln Continental continues the 24,000-mile or two-year warranty which it pioneered for the auto industry.

The 1964 Mercury extends its coverage of the medium-priced market by offering two new series and a choice of distinctive roof designs.

Mercury's two new series are the luxurious-top-of-the-line Park Lane and the Montclair, which is placed between the basic Monterey and the Park Lane. A new four-door hardtop Marauder model is offered in all three series, and a Commuter four-door station wagon is added as a running mate to the highly styled Colony Park.

In addition to the new four-door Marauder, Mercury will offer in all three series the unique Breezeway roof with retracting rear window and the sporty two-door fast-back hardtop Marauder first intro-

duced last spring. The two-door Marauder has represented the Mercury in stock car races and set a new record in winning the Pike's Peak Auto

Hill Climb on July 4.

Frost Motors Eye Another Record Year

Frost Motors, Inc., is now enjoying its third consecutive year of record-breaking sales, last year being one of the best years in its 31-year history.

Cadillac-Oldsmobile sales have increased to the extent that two facilities at 399 and 624 Washington street, Newton, are now devoted to sales and service of these lines.

At 399 Washington street, Frost Motors maintains its indoor showroom display of new cars, mechanical servicing and parts departments.

The 624 Washington street facility is occupied by a first-

class body shop and used car reconditioning department as well as a display area for more than 50 of the cleanest, finest reconditioned cars to be found anywhere.

Frost Motors, Inc., in business in Newton for 31 years is most proud of its reputation, a reputation that is your best guarantee.

According to used car manager, Bill Larssen, "we expect 1964 will be our biggest year yet, and every member of our 45-man staff is prepared to help accomplish this goal."

Why not try us the next time you want service, a new Cadillac or Oldsmobile, or a newer used car. We are always glad to serve you.

Certain to draw special attention in Frost's showrooms during this traditional holiday will be the entirely new Olds-

mobile Jetstar 88's, introduced this past fall.

A full-size, lower-priced companion to Oldsmobile's famous Dynamic 88's and Super 88's, the new Jetstars will appeal to the increasing number of up-and-coming younger families. This new 88 series includes a four-door sedan, hardtop sedan, coupe and convertible. Fleet in both appearance and action, the Jetstar 88's are powered by the completely new cast-iron Jetfire Rocket V-8 engine, delivering 245 horsepower.

Also powered by Oldsmobile's recently introduced V-8 engine are the newly-sized, newly-styled F-85 Cutlass models. On these models the Jetfire Rocket develops 230 horsepower with a four barrel carburetor and compression ratio of 10.25 to 1.

IF IT'S TOO QUIET—TURN ON THE RADIO

Some of the finest comments that come to us from owners of 1964 Cadillacs concern the car's extraordinary quietness of operation.

A Cadillac owner remains comfortably insulated from the distraction and din of the heaviest midtown traffic.

And we think that this remarkable characteristic tells a great deal about the quality and goodness of this extraordinary new Cadillac creation.

First of all, it indicates the car's high level of craftsmanship. Every 1964 Cadillac, in fact, now undergoes more than 1400 separate inspections.

It indicates, too, how Cadillac's combination of functional styling, scientific soundproofing and advanced

new suspension have reduced to an almost unbelievable degree the sounds normally associated with travel.

And, even more importantly, it speaks of the car's great engineering. Cadillac's dynamic new engine operates with flawless precision, despite its record power. Its new transmissions, both the Hydra-Matic and the Turbo Hydra-Matic, translate that power into smooth, hushed response... and combined with exclusive True-Center drive line, virtually eliminate vibration.

If you have not yet driven a 1964 Cadillac, you will find it a most revealing experience. Your dealer will have one ready any time that's convenient. Just let the car's amazing quiet do the talking.

Brown Motors Plans Holiday Big Open House

Ray Ciccolo, new president of Gene Brown Motors, Inc., the Rambler and Volvo agency at 714 Beacon street, Newton Centre, has planned a bang-up Washington's Birthday Open House Celebration for Saturday, February 22.

The sales staff is most enthusiastic about the money saving specials being offered. Each salesman has two "pet" specials... a used car and a new car or demonstrator that they have picked and priced specially for Washington's Birthday.

The public is invited to inspect the greatly expanded facilities of this energetic agency where all models of Rambler and Volvo are conveniently displayed indoors. Mr. Ciccolo says "Bring the whole family and enjoy coffee and donuts in the morning, buffet luncheon from 1 to 9 p.m. and get free a beautiful 14"x17" portrait of our late President, John F. Kennedy."

You also have a chance to win one of the 80 prizes totaling \$3,000.00 to be given away in Rambler's surprise party. Be sure to register.

You will see three distinct lines of compact cars — the completely restyled 1964 Rambler American, the new Classic Six and V-8, and the new Ambassador V-8.

"The Rambler American series includes the lowest-priced 2-door sedan, 4-door sedan, station wagon, convertible and hardtop offered in any U. S. car line," Thomas A. Coupe, automotive sales vice-president, said. "The addition of hardtop models in the Classic and Ambassadors gives the buyer a still wider choice to meet his personal transportation needs."

"The entire 1964 Rambler line offers extra-value features that are exclusive to Rambler or found only on the industry's most expensive cars," he said.

Ten Rambler American models are offered in the 220, 330, 440 and 440-H series, and 10 in the Classic 550, 660 and 770 series. The Ambassador is available in four 990 and 990-H models. Sedans, station wagons and hardtops are in all series, plus an American convertible.

The entire Rambler line for 1964 highlights advanced single unit construction, 125 pounds of galvanized steel for greater rust-resistance, curved side glass, positive-action rotary door locks, and many other outstanding features.

In addition, all 1964 Ramblers offer retractable front seat belts. Double-Safety brake system with separate braking front and rear, ceramic-coated exhaust system, stainless steel rocker panel cover moldings on most models, anti-glare instrument panel, front and rear coil spring construction, and chrome travel rack on most station wagons.

To reduce maintenance costs and service requirements, every Rambler features 33,000-mile or three-year chassis lubrication intervals, and a normal engine oil change of 4,000 miles. In addition, transmissions and rear axles are permanently lubricated. Oil filters are standard.

The Mayor provided in his budget that Public Works Director Pratt be boosted from \$12,800 to \$16,000. The School Committee voted that its secretary be given a \$1000-a-year raise next September.

Present indications are that Mayor Gibbs will have a difficult time convincing the Aldermen that the public works director, who is responsible for such matters as snow-removal, should be paid as much as the secretary of the School Committee.

No opposition is presently expected from the Aldermen to the modest 3.5 percent pay raise Mayor Gibbs has recommended for the rank and file of city employees or the \$100-a-year boost he has proposed for the police women.

Aldermanic Finance Committee Chairman John P. Nixon has completed arrangements for a series of conferences by his committee on the budget.

The committee will meet

**\$327,000 Tab
For Snow Job**

52 inches of snow has been dumped on Newton by Old Man Winter so far this season. This includes the fall of last Wednesday, February 19th, and doesn't take into consideration any further snow accumulation.

This compares with last winter's fall of 14 inches in a corresponding period of time.

Following the storm of last week, a total of \$327,000 has been spent in Newton for snow removal. It is reported that this expenditure means \$1.15 on the tax rate.

ROBERT W. GALLAGHER

Gallagher In Re-election Bid Campaign

Robert W. Gallagher of 39 Tennyson road, West Newton, announced yesterday that he will be a candidate for re-election to the Democratic Committee from the Middlesex-Suffolk senatorial district in the Presidential Primary to be held April 28.

Gallagher has been the Democratic State Committeeman from Newton for the past four years.

He has been active in Democratic affairs for a quarter of a century, having been chiefly engaged in fund-raising for the various Democratic gubernatorial candidates. In 1956 he served as co-chairman of the Adlai Stevenson Presidential campaign in Newton.

Gallagher served as treasurer of State Treasurer John T. Driscoll's campaign committee in 1962. He was appointed administrative ass-

POLITICAL HIGHLIGHTS

By JAMES G. COLBERT

Lodge, Nixon Wage Phantom New Hampshire Campaigns

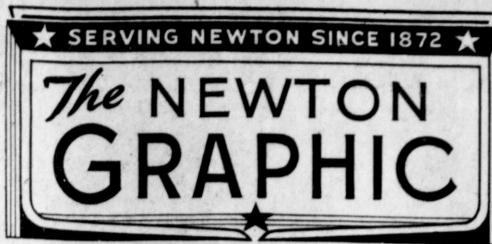

Are Henry Cabot Lodge and Richard M. Nixon, the two phantom candidates for the Presidency, waging a separate write-in duel of their own in New Hampshire's first-in-the-nation Presidential Primary?

Are Nixon and Lodge, who were the GOP ticket mates in 1960, maneuvering for position to be next in line if it develops that the Republican party doesn't want either Barry Goldwater or Nelson Rockefeller as its Presidential standard-bearer?

Those are questions political observers are asking as they ponder the unusual happenings in the Granite State. They come up with a variety of answers.

Lodge apparently is playing a two-way political game in far-away Vietnam.

\$4,000 Sought In City For Foreign Students

The local American Field Service Committee started a drive this week to raise funds for its 1964-65 foreign student exchange program. Leonard Kaplan, treasurer, stated that although the national organization contributes substantially, the Newton Chapter must raise \$4000 this year to help finance scholarships for four foreign students who will live in private homes and attend the local high schools.

A portion of the funds may also be used if required, to assist Newton students chosen for the Americans Abroad program.

There are now five exchange students in Newton under the A.F.S. program, serving as goodwill ambassadors from countries as dissimilar as India and Sweden. Last year American Field Service sent a record number of Newton students to live and study abroad.

There were four students, two from each high school, in Brazil, Chile, England and Syria.

Richard Jarrell, co-chairman with Mrs. Jarrell, of the Newton Chapter, pointed out that Newton is benefitting greatly from this cultural exchange and that the goal of \$4000 is very small in terms of the great return in developing international understanding and tolerance among young people.

In addition to the adult group, the A.F.S. Clubs at the two high schools are actively engaged in raising funds. The high school committee chairmen, Linda Harrer and Mary Eliza McDaniel at Newton High and John Shapiro and Barbara Oppenheim at New-

The breakfast will be held in the Bishop MacKenzie Centre after the 9 o'clock Mass. All dads and daughters of the parish are invited.

Sister Mary Paula has recently returned from Ghana, West Africa. She has served in Africa for sixteen years and was one of three nuns who pioneered the Medical Missionary Sisters Centre in Africa in 1948.

Founded in 1925, the Order has grown to over 700 members, staffing 32 hospitals and medical centers in eight countries, including the underprivileged and underdeveloped areas of the world.

8 Democrats In Senate Scramble

An eight-candidate scramble for the Democratic nomination for the State Senate now looms in the Newton-Brookline-Brighton district where a special election will be held April 14 to fill the vacancy caused by the death of the late Senator Michael J. Galvin.

Koplow of Brookline is unopposed for the Republican nomination for the Senate seat.

the deadline was reached this week for filing nomination signatures with local election authorities.

They have until 5 p.m. next Tuesday to submit their nomination papers to Secretary of State Kevin H. White.

Those presently in the race are Alderman John F. Holden of Newton, Herbert L. Connolly of Newton, well-known automobile dealer; Representative Beryl W. Cohen of Brookline, former Boston City Councillor Francis X. Ahearn of Brighton, John G. Cooke of Brighton, Catherine E. Falvey of Allston, Francis J. Hickey of Brookline, and Louis B. Campion of Brookline.

The senatorial district in which they will be vying for votes takes in Wards 1, 6 and 7 of Newton, the entire town of Brookline and the Ward 22 section of Allston and Brighton.

With two candidates in the field from Newton, three from Brookline and three from the Allston-Brighton area, political experts already are speculating on how the Democratic vote is likely to be split in the March 24 primary.

Mrs. Michael J. Galvin, widow of the late Senator, is directing Connolly's campaign.

Connolly also has made public a letter written to him by the late Senator shortly before his death in which he urged Connolly to run for the Senate if he, Galvin, was unable to resume his duties at the start of 1964.

Holden was elected as an Alderman - at-Large from Ward 1 last November.

Cohen, Campion and Hickey are all popular in the Brookline area. Hickey, who has been active in Democratic politics, is a school custodian and a member of the Brookline Redevelopment Authority. Campion is a real estate broker.

Ahearn and Catherine Falvey both are attorneys. Cooke is a Brighton businessman.

Although she is sure of the Republican nomination, Representative Koplow has been actively campaigning and working vigorously for the April 14 election.

GOP Moves To Beef Up Election Force

Prospects of a vigorous election ahead for Newton has prompted the local Republicans to take steps to beef up the forces in this city in readiness for aggressive campaigning.

Edward C. Uehlein, city committee chairman, this week named Alan W. Licari to serve as Newton coordinator in an all out effort to elect a Republican to fill the State Senate seat vacated upon the death of Michael J. Galvin, Democrat of Newton.

Licari's function will be as liaison between Rep. Freyda Koplow's headquarters and the Newton Republican City Committee, and to work with and coordinate campaign activities in Newton, particularly in Wards one, six, and seven.

Under the general direction of Uehlein, Licari will work in cooperation with the chairmen of these wards. Ward One chairman is Adelaide B. Ball. Wards Six and Seven are chaired by William Lane Bruce and Benjamin Shattuck, respectively.

These are the wards directly involved in the campaign and Licari will work particularly with them while coordinating activities throughout the city.

Uehlein stated that Licari was especially well qualified to assist in the management of the campaign because of his extensive experience and effective activity in the city organization.

Carmen declared that the Young Republicans decided to enter their own slate because they felt the top GOP leaders acted in a "dictatorial and arbitrary" manner in picking their slate.

In outlining her reasons for seeking the post as Republican State Committee-woman, Mrs. Slessinger said she is "primarily interested in a strong State Committee and the election of public officials of ability and integrity who will support and implement the Republican party."

"I feel that a realistic Republican party platform must be formulated that will encompass the needs of people in all walks of life and will offer the same opportunity for individual aspirations and initiative," she declared.

Mrs. Slessinger expressed the belief that the members of the Republican State Committee "have the opportunity and responsibility to help accomplish these ends by offering dynamic and dedicated leadership to the voters of their districts, with their local city and town committees, with their legislators, and with other Republican leaders throughout the Commonwealth."

She is a member of the Countryside School PTA, has been a solicitor for various charitable fund-raising drives, is active in the League of Women Voters, was a Voter Service Resource Chairman for the League and currently is a unit leader, and is an adviser to the Newton Teenage Republican Club.

An Eye On The Scales

Newton will observe National Weights and Measures week from March 1 through 7.

During the week, hundreds of municipalities across the land will observe the event. It will call attention to one of the most important, but least well known, governmental public services; that of assuring accurate weights and measurements in all commercial transactions.

When you buy five gallons of gasoline, ten pounds of potatoes, or a piece of steak at \$1.50 a pound, you want to be sure you get in full what you pay for. That's the job, through law enforcement, of our local Weights and Measures Department.

Newton is fortunate in having particularly dedicated officials serving in this capacity in the persons of J. Ellis Bowen, sealer, and Robert E. Silver, deputy sealer.

These are the gentlemen who keep their eyes on the scales to guarantee a rightful weight and a correct measurement on all the products purchased for home and family. Don't take this protection for granted. It is available to us because of a constant vigilance on the part of these hard-working officials.

We all owe much to these men. It assures us that "Equity Prevails" in all commercial transactions where weight and measurement means money well spent — or lost, through short-cutting, either intentional or accidental, in the marts of trade.

Big Tower Is Welcomed

Newton, the Commonwealth, and New England, welcomed the new WNAC-TV television transmitting tower as it flashed its first picture beam across the area last Sunday noon.

Shooting up 1069 feet into the atmosphere from its location in Newton Upper Falls, the huge self-supporting tower is the tallest man-made structure in these parts.

Mayor Donald L. Gibbs was among the dignitaries who attended the official ribbon-cutting and operational debut of the tower. In welcoming the transmitter to this city the Chief Executive struck the canny note that the tower and its building will constitute a fine tax addition for the local coffers.

The three big Boston commercial television channels now have their high-flying transmitting towers in this area, a trio of massive steel fingers thrusting into the bright blue yonder, and with tips often lost in low-hanging mist.

The brighter, clearer television picture is certainly appreciated by viewers around this area. The technical skill which strung up this newest marvel, self-supporting, and carrying the most modern of equipment, is applauded.

Now, let's trust that the local channels will keep up the constant fight to give us something worthwhile to look at on those brighter, clearer pictures.

It is unfortunate that so much genuine technical skill, and mechanical magic, often huffs and puffs only to bring forth a mediocre product. Some television offerings are hardly worth the effort required to turn them on — then off.

About Those Plants

Editor of the Graphic:
 I appreciate a strong, valid argument for or against any controversial subject but Marion G. Gaffey's argument against fluoridation just doesn't hold water (not even Maine or New Hampshire water).

There was no sodium fluoride in Newton water last spring when she tried to sprout her ivy the first time. Fluoridation was not put into operation until last fall, two or three weeks before elections.

Consequently although her ivy's failure to perform may have been due to some difference in the chemical composition of Newton water, it was definitely not due to fluoride.

Barbara T. Coogan, 219 Homer Street, Newton Centre

—

English Ivy Doing Well

Editor of The Graphic:

There must be something else than fluoridated water bothering Mrs. Gaffey's ivy.

I have a whole pitcher full—at least a half dozen shoots—of English Ivy growing in the local water on my kitchen window sill, all with fine roots, just waiting to be planted in the spring.

My other house plants look about the same as ever. I have noticed, however, that the condition of my plants shows up any gas leaks. I was unable to grow much of anything well until we got a new gas hot water heater several years ago, although we ourselves did not notice any odor until the old one gave out completely.

If fluorine in the water would hurt plants, most of the world would be a desert, since it occurs naturally in the water in varying amounts all over the world. There is just not enough in this region for the good health of humans.

Property Owner Speaks

Editor of The Graphic:

I have already had the privilege of having my views printed on compulsory fluoridation, with the thought that those who desire it use the many alternative avenues available without infringing on their neighbor's God-given right to freedom of choice.

However, as a property owner, I have also been quite concerned re an increase in property or water supply taxes because of the cost of installing the necessary units for fluoridation.

At last I have found an informative answer to this situation in a reply in The Christian Science Monitor of February 18th to a question on this subject by a resident of Belmont, and would like to quote it in part for the benefit of other property owners.

"Newton has a population of 92,384. Cost of the feeder stations will be at least \$115,000 by the time the third station is completed. In addition there will be a cost of \$13,753 per year for chemicals. Possible maintenance costs are still unknown, according to city officials."

Very truly yours,
Mrs. E. Leroy Tewksbury

Buds Are Swelling

Editor of The Graphic:

In response to Marion G. Gaffey's letter which I believe is based on a "post hoc, ergo propt hoc" fallacy in relation to her sister's ivy.

I do not believe any fluoride had been added to the water in Newton last spring. I have placed English ivy cuttings in water within the past two weeks which are already showing swelling of root buds; my house ivy is thriving as usual.

Bad luck with house plants is more likely due to too hot or dry air in the house, or perhaps a gas stove which has not been properly cared for. Cool temperatures at night, moist air, and proper sun and watering are basic necessities of house plants, each according to the type of plants.

Since the problem showed up before fluoride was added to the Newton water supply, I believe the scapegoat was less dramatic than the scare tactics, which are obviously based on error.

FRANCIS X. AHEARN

Ahearn Enters Campaign For State Senate

Attorney Francis X. Ahearn of Brighton this week formally announced his candidacy for the Democratic nomination for the State Senate in the Newton-Brookline-Brighton senatorial district where a special election is to be held to fill the vacancy in the upper legislative chamber created by the death of the late Senator Michael J. Galvin.

Ahearn is a former member and president of the Boston City Council and a former Acting Secretary of State. He was a candidate for Secretary of State in 1960.

He paid tribute to Senator Galvin in announcing his candidacy.

"Not only our senatorial district but the state and nation lost a great man and an exceptional public servant by the unfortunate passing of the greatly admired Senator Galvin," said Ahearn.

"To fill this vacancy the people should nominate and elect a man of stature, ability and dedication to the highest standards of government. These qualities were possessed by Senator Galvin to an eminent degree, I respectfully request the people to scrutinize carefully the qualifications of all the candidates and select only the best qualified candidate for this very important office," Ahearn asserted.

Ahearn is married, the father of two children and resides at 27 Greycliff rd., Newton.

He is a graduate of Brighton High School and was awarded the Brightelmstone scholarship. Ahearn received his A.B. degree magna cum laude at Boston College and was awarded scholarships to Catholic University and Boston College Law School where he received an L.L.B. degree and ranked first in his class.

Ahearn is a member of the Disabled Veterans, the Veterans of Foreign Wars, the Knights of Columbus and the American Legion.

He pointed out that he demonstrated his knowledge and grasp of government during his service as president of the Boston City Council, as Acting Mayor of Boston, as Deputy Secretary of State and as Acting Secretary of State.

Former Councillor Ahearn has been an instructor at the B.C. Law School, chairman of the Mass. Bar Conference, attorney for the Commission on Revision of the General Laws, a member of the Commission on the Uniform Commercial Code and president of the B.C. Law Alumni Association.

He was selected by the Junior Chamber of Commerce as "one of the 10 outstanding young men." Also selected at the time was the late President John F. Kennedy.

Mrs. Morris Levy will preside over the meeting and Mrs. Samuel Sacks will be hostess for the Day. In charge of hospitality will be Mrs. Louis Narva and Mrs. Abraham Goldman will give the invocation.

Mrs. Morton Lieberman will present a speech on Judaism in the Home.

Hockey Squad Enters State Tourney With Victory Hope

By PETER RYAN

Newton High School's hockey team, tied last week in one frustrating contest and defeated in another, goes into the State tournament Saturday with high hopes of regaining its winning ways.

The Tigers meet Brookline High today (Thursday) in a game which will decide the race for second place in the GBI hockey league. Arlington has virtually clinched first place.

Newton dropped to third place in the GBI standing as a result of last week's action at the Arena which saw the Orange and Black lose a 1-0 squeaker to Arlington and then get stunned by Medford in a 1-1 deadlock.

However, the Medford tie, disappointing though it was, gave the Tigers a place in the State tourney. Their opponent for Saturday has not yet been named.

The Tigers dominated the play during the first two periods of their losing game with Arlington, but great goal-tending kept them from scoring. Play was more even in the third period.

Newton goalie Kevin McLatchy, was forced to make only two saves in the first two periods but had his hands full in the final frame when he came up with several sparkling stops to extend his un-scored-on record to 90 minutes.

Ahearn has been active in civic work and charitable fund-raising drives.

Freedom Schools Draw Big Local Delegation

The Newton group, including some 300 high school and junior high school students and a dozen or more public school teachers, taking part in the Freedom Schools movement yesterday (Wednesday) in Boston, constituted the largest from any Boston suburb, it was estimated by William A. Hollman, Newton High teacher, and the Rev. Charles Harper, coordinator of the Newton Stayout for Freedom Committee.

Incidentally, it was vacation time in Newton, so there was no staying out in this city.

Following is a partial list of Newton teachers who were staff participants in the Freedom Schools:

Robert Zeeb of 18 Claffin Pl., Newtonville, Irving A. Schwartz of 55 Sacramento St., Cambridge; Luther Manning of 170 Auburn St., Auburndale, Ernest A. Wright Jr., of 77 Shirley St., Quincy, Alan Sartor of Newtonville, Robert Hayden Jr., of 33 Manchester Rd., Newton Highlands, and Edward C. Martin of 7 Camden Pl., Cambridge.

Also, Mrs. Merton Friedman of 34 Rowe St., Auburndale, William Hollman of 17 Tabot St., West Newton, Samuel Turner of 39 Putnam St., West Newton, James V. Amaifitano of 35 Cummings Rd., Brighton and C. Wayne Altree of 21

Maple Path, Newton Centre.

Other Newton residents who were staff participants were: Mrs. Alvin Fortune Jr., of 63 Bontempo Rd., Newton Centre, Mrs. Jerome Olrich of 158 Harvard St., Newtonville, Mrs. Regional Benn of 121 Claremont St., Newton, Mrs. Richard Tyler of 22 Wein St., Auburndale, Mrs. Douglas Reynolds of 7 Mt. Vernon Terr., Newton, Mrs. Marcel Kisten of Vineyard Rd., Newton, and Mrs. Justin Williams of Watertown St., Newton.

Following are the Newton Stay-Out Program chairmen:

Co-chairmen, Hubert Jones of 21 Talbot St., West Newton, and Richard Toomey, S.J. coordinator, the Rev. Charles Harper of Eliot Church; transportation, Matthew Jefferson of 15 Prospect St., West Newton; finance, Mrs. Sue Berkley of 34 Otis St., Newtonville; schoolteachers, Mrs. Katherine Lapidus of 18 Dorr Rd., Newton; publicity, William Hollman and Phyllis Ryan; volunteers for teaching in Freedom schools, Mrs. Helene Levine, and registration, Mrs. Anne Ricks of 63 Columbus St., Newton Highlands.

Part of the Danube River flows underground and emerges as a tributary of the Rhine River.

Temple Hosts Foreign Visitors

Frank Bronstein, left, social action committee chairman, Sister Paula and Sister DeLellis, of Ghana; Rabbi Murray L. Rothman, and Bogere K. Ssembaty, of India, among 125 people from 40 lands who visited Temple Shalom of Newton on recent "People To People Sabbath."

Reunion Of Wasp Crew Is Planned

Any Navy veterans in this area who served aboard the USS Wasp (CV-18) from November 24, 1943 to 1945 are advised of a proposed reunion of the crew to be held in New York in the near future.

Those interested are asked to write to John J. Allen, 444 Kennedy Boulevard, Bayonne, New Jersey, and enclose a stamped, self-addressed envelope.

GOP Ward Five Group Elects New Chairman

At their recent meeting, members of the Ward Five Committee, Newton Republican City Committee, elected D. Stuart Laughlin, Jr. of Avelon road, Waban, their new chairman.

The new chairman has been associated with Republican activities in the city for many years. In assuming office, Laughlin stated that it was essential to continue the program of revitalization of the Ward organization and to add to the corps of active workers on the committee. Stating that the Committee will meet monthly, with meetings open to all, Laughlin continued:

"I have pledged my whole-hearted support to Republican City Chairman, Edward C. Uehlein, and have assured him he would have full cooperation from Ward Five. We will give unceasingly of our time and effort to obtain victory for the Republican Party. Mrs. Dorothy H. Reed, veteran Republican worker, was elected committee secretary.
